## STATUTORY CONSULTATION

### Proposed extension of Bounds Green CPZ

Dear Resident or Business,

In 2011 we introduced the Bounds Green Controlled Parking Zone (CPZ) following consultation with the local community. Since the introduction of the CPZ, we have received requests from various roads to extend the CPZ to help address parking problems in the area. We also received a petition from residents in Woodfield Way urging the Council to consider parking controls in their road.

Following discussions with your ward councillors and in line with our commitment to listen to the **local community's parking concerns, we are now proposing to** formally consult residents in your road on the introduction of parking controls.

### Our proposals

We are proposing an extension to the existing Bounds Green CPZ to include your road. The proposed operational hours will be the same as the existing CPZ i.e. Monday – Friday, 10 am - Noon.

Information on Controlled Parking Zones (CPZs) is available on our website:

<http://www.haringey.gov.uk/parking-roads-and-travel/parking/controlled-parking-zones-cpzs>

### Have your say

To enable any parking controls to be legally enforceable, we are required to enter into a stage of consultation known as Statutory Consultation. This is the legal part of the process and takes the form of a Public Notice advertised in the local press, London Gazette and visible locations within the **area to inform of the Council's intentions.**

The legal notice will be advertised on 27 February 2019 and provides a 21-day consultation period for interested parties to make representation regarding our proposal to implement parking controls. **The closing date for comments is 20 March 2019.** You should note that statutory consultation differs from informal public consultation in that any interested party can make representations, rather than restricting the consultation to a specified area. Responses are also analysed according to the comments made, rather than based on "Yes/No" responses.

Comments must be received no later than **20 March 2019**.

### What Happens Next?

Your feedback will help inform us whether residents and traders in your road would like to be included in a CPZ. Any comments or objections from your area will be considered by the Cabinet Member for Environment before a decision is made. If there are no valid objections to the proposals or a decision is made to proceed with the parking controls, we will then send you a further notice informing you when works will commence on site, when the scheme will come into effect and how to apply for a parking permit.

Thank you in advance for taking time to read this letter.

Yours faithfully,
