Dear Sirs,

~~Re: New consultation on proposal to re-designate
the former Friar Barnet sewage treatment site
(Purkham Wood)~~

I understand you are in the process of the above
to change this site from EL (Employment Use)
to LSIS - Locally Significant Industrial Use, which
has no linked protection for the nature conservation value
of the site.

I object to this re-designation is not based
on robust or credible evidence. There is also no
evidence that Havering has considered this to be
the most appropriate strategy against
alternatives. In addition, the proposal does not
accord with Regional Policy (see London Plan
Policy 7 (7.14 and 7.18 - 7.21)).

Yours faithfully

A Back.
