Subject: Changes to the plans for the use of Pinkham Way.

Dear Sir or Madame,

I'm writing to you to protest about the new proposals regarding the use of Pinkham Way. I must strongly question the suitability of using the site for Industrial purposes when it has been previously listed as a green space that should be protected. I also feel that the environmental impact of using the site for industrial use, particularly when the site is very close to a built up residential area and local schools is highly inappropriate.

If my information is correct it would seem Harringey Council has failed to consult with the local people properly and if this plan were to proceed the impact on local business' and the creation of new jobs will be highly negative.

I urge you to reconsider the industrial development of this land.

Yours sincerely,

Paul Beard.
