Subject: Complaint about your shifty plan to re-designate the Pinkham Woods site

As a Bounds Green resident, I am very angry at the deliberate subterfuge and underhandedness employed by Haringey Council in your attempt to pass through the re-designation of Pinkham Woods from a site for Employment use to an LSIS - Locally Significant Industrial Site - behind the backs of us, the people who will be most affected by the change and its repercussions. Don't we, the residents of the area, at least deserve some honesty from you!

Regards.
