## STATUTORY CONSULTATION Proposed extension of Bounds Green CPZ

Dear Resident or Business,

In 2011 we introduced Bounds Green Controlled Parking Zone (CPZ) following consultation with the local community. Since then, we have received requests from various roads for CPZ controls - including a petition from Woodfield Way.

We are therefore formally consulting residents in the area on an extension to the existing Bounds Green CPZ to include your own and other local roads. The proposed operational hours will be the same as the existing CPZ i.e. Monday – Friday, 10 am – 12 noon. Information on Controlled Parking Zones (CPZs) is available on our website:

<http://www.haringey.gov.uk/parking-roads-and-travel/parking/controlled-parking-zones-cpzs>

To enable any parking controls to be legally enforceable, we are required to carry out Statutory Consultation. This includes a Public Notice advertised in the local press, London Gazette and at visible locations within the area to inform of the Council's intentions. The legal notice provides a 21-day consultation period for interested parties to give views, comments and objections on the proposal. **The closing date for comments is 23 March 2019.** Responses will be analysed according to the comments made, and not just on "Yes/No" responses.

Please 'have your say' - whether agreeing or objecting, by completing the enclosed freepost feedback card, or you can email us at [frontline.consultation@haringey.gov.uk](mailto:frontline.consultation@haringey.gov.uk) Alternatively, you can write to us at the address below.

Your feedback will help inform us whether residents and businesses would like to be included in the CPZ. Any comments or objections will be considered by the Cabinet Member for Environment before a decision is made. If there are no valid objections to the proposals and a decision is made to proceed with the parking controls, we will then send you a further notice informing you when work will start and when the scheme will come into effect. We will also provide information on how to apply for a parking permit.

Thank you for your attention and we look forward to hearing from you.

Yours faithfully,

A handwritten signature in black ink, appearing to be 'Ann Cunningham'.
