

LONDON BOROUGH OF HARINGEY

CONSOLIDATION AND REVIEW OF TRAFFIC MANAGEMENT ORDERS PROVIDING ON-STREET PARKING PLACES, LOADING PLACES AND WAITING, LOADING AND STOPPING RESTRICTIONS AND MIGRATION TO A 'MAP-BASED' SCHEDULE FORMAT (T12)

*The Haringey (Charged-For Parking Places) Order 202**

*The Haringey (Free Parking Places, Loading Places and Waiting, Loading and Stopping Restrictions) Order 202**

1. NOTICE IS HEREBY GIVEN that the Council of the London Borough of Haringey ('the Council') propose to make the above-mentioned Orders under sections 6, 45, 46, 49 and 124 of and Part IV of Schedule 9 to the Road Traffic Regulation Act 1984, as amended.
2. The general effect of the Orders would be:-
 - (a) to consolidate the provisions of all existing Orders designating on-street charged-for parking places, free parking places, loading places and waiting, loading and stopping restrictions on streets in the London Borough of Haringey;
 - (b) to update the terms and conditions for the use of on-street free parking places, loading places and waiting, loading and stopping restrictions as well as all on-street charged-for parking places set by those Orders. These would reflect the Council's current parking policy in terms of eligibility for permits and applicable fees and charges, and any applicable exemptions;
 - (c) to make consistent provision for the use of 'paperless' permits and 'cashless' ('pay by phone') or 'contactless' payment of parking charges (where applicable) in relation to vehicles left in parking places across the London Borough of Haringey's Controlled Parking Zones;
 - (d) to provide for the use of a 'map-based' schedule, to be read in conjunction with the Orders, describing the location, type of the restriction, class of vehicle, the hours of operation and where applicable, the Controlled Parking Zone in which the parking places are located (and thereby the permit types to be displayed on or indicated in relation to vehicles left in parking places).

NOTE: there would be no change to the existing layout, type or amount of provision of on-street charged-for parking places, on-street free parking places, loading places and waiting, loading and stopping restrictions, other than as detailed above, to the terms of use thereof (and any applicable fees and charges) as is currently published online by the Council, as a result of the making of this Order.

3. Any trial schemes enacted through ongoing Experimental Traffic Orders would continue to progress through to the appropriate evaluation and completion of each scheme.
4. Copies of the Orders, of the Council's statement of reasons for making the Orders, together with sample plans (the 'map-based' schedule) showing the location and effect of the Orders may be either: inspected by appointment at the Reception Desk, Alexandra House, 10 Station Road, Wood Green, London N22 7TR; or viewed online at www.haringey.gov.uk/traffic_orders; from the date of this Notice until the end of a period of six weeks from the date on the Orders are made, or the Council decides not to make the Orders.
5. Anyone wishing to object to the making of the Orders or make any other representation regarding the Orders must state the grounds in writing to: the Traffic Management Group, Alexandra House, 5th Floor, 10 Station Road, Wood Green, London N22 7TR; or by e-mail to traffic.orders@haringey.gov.uk quoting reference '2021-T12', to be received by 31 March 2021.
6. Under the requirements of current access to information legislation, any letter or e-mail sent to the Council in response to this Notice may be subject to publication or disclosure, or both, including communication to other persons affected.

CONSOLIDATION AND REVIEW OF TRAFFIC MANAGEMENT ORDERS PROVIDING ON-STREET PARKING PLACES, LOADING PLACES AND WAITING, LOADING AND STOPPING RESTRICTIONS AND MIGRATION TO A 'MAP-BASED' SCHEDULE FORMAT (T12)

*The Haringey (Charged-For Parking Places) Order 202**

*The Haringey (Free Parking Places, Loading Places and Waiting, Loading and Stopping Restrictions) Order 202**

STATEMENT OF REASONS

Haringey Council (the Council) proposes the above listed Traffic Management Orders (TMOs) to enable all existing parking, waiting, loading and stopping restrictions (static restrictions) borough-wide which are marked and signed on street to be coordinated into a new digital map-based format.

The Council have commissioned a borough-wide survey of all existing 'static' on-street restrictions, the resulting data to be inputted into an online mapping system – thereby providing a consistent format for recording these restriction types and locations across the borough.

The intention of the above-mentioned TMOs is to provide a new, updated set of TMO Articles, one designating Charged-For Parking Places, and another designating free parking places, loading places waiting, loading and stopping restrictions, – both to be used in conjunction with the new mapping, which would be read as the 'map-based schedule' to those Orders.

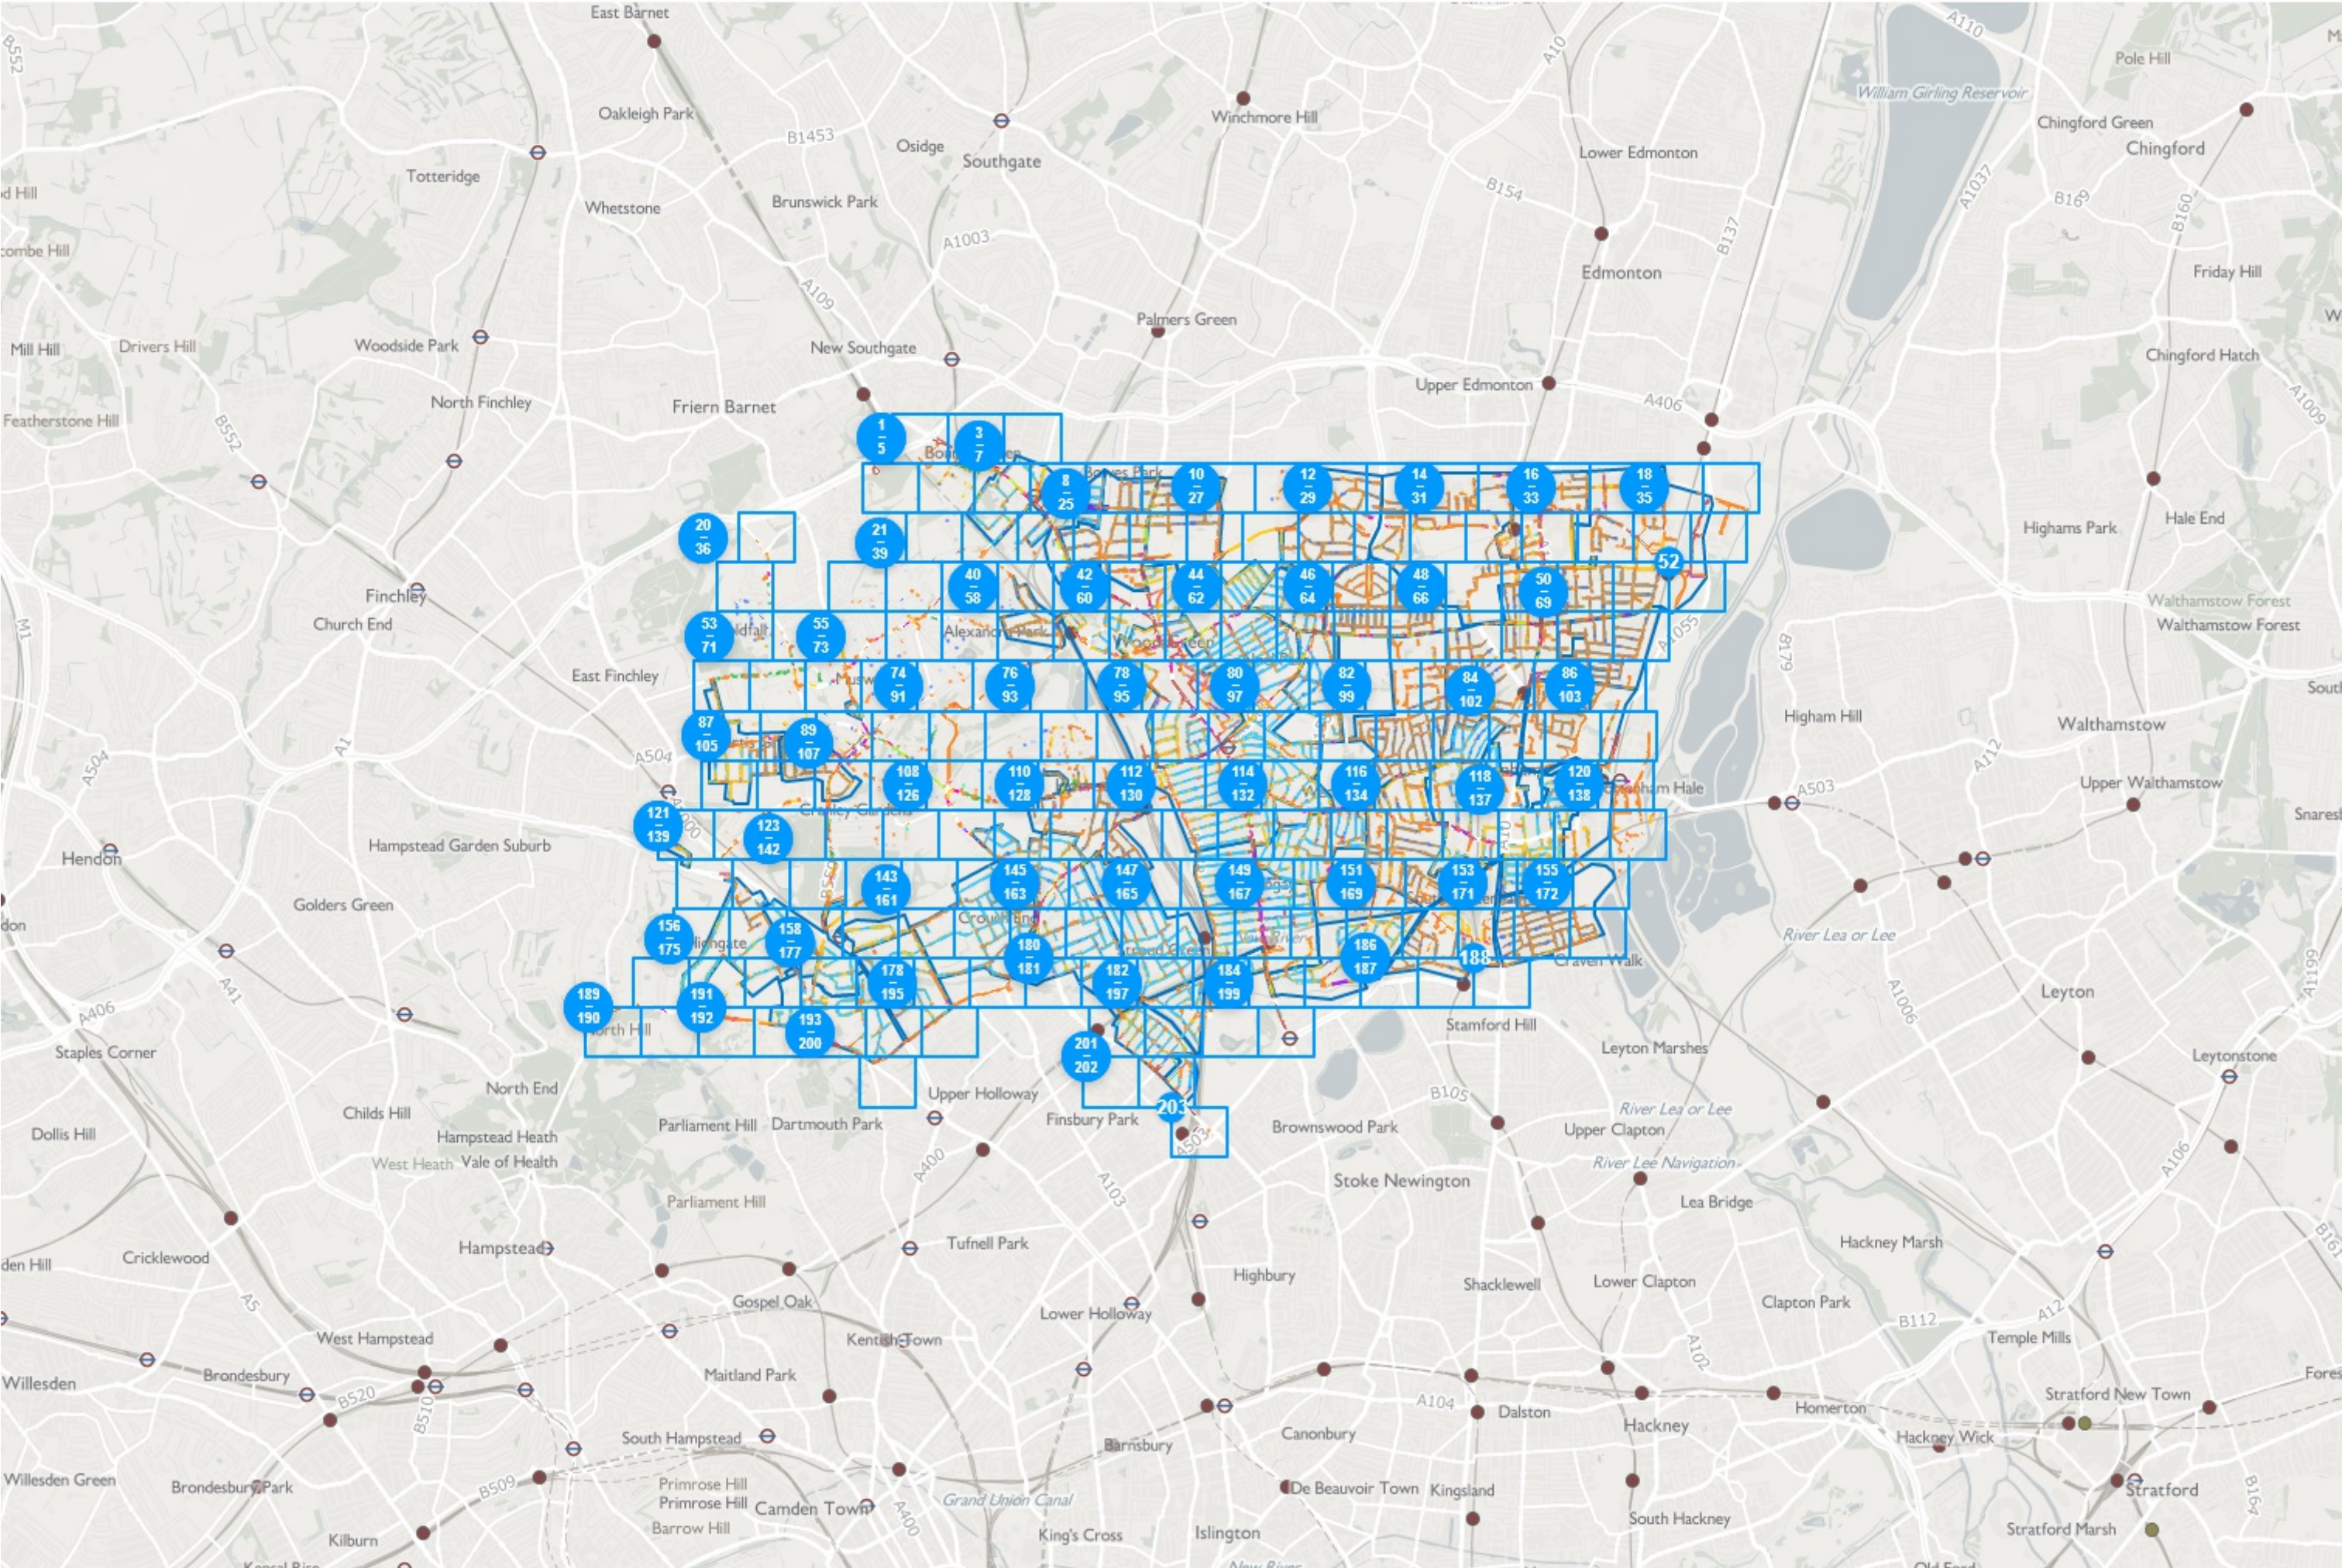

The above-mentioned Orders would also update and consolidate the provisions of the existing Orders so as to reflect the Council's current parking policy in terms of permit product types, eligibility, operation of certain restrictions and, where applicable, exemptions to those restrictions, and to reflect current best practice in TMO drafting.

Provision would also be made for the use of 'paperless' permits, 'cashless' parking payments ('pay by phone') and 'contactless' card payments at on-street 'pay and display' machines.

It is intended that the outcome of the above would be to provide a robust and clear visual record of the borough wide static restrictions that may be read and interpreted in a straightforward manner by both Council officer, parking contractors and the general public.

This is an administrative task proposed to consolidate and migrate all static restrictions to map based format and incorporating the Councils parking policies and payment methods. There will be no changes made on the ground to any on-street static restrictions as a result of the making of the Orders.

Sample maps schedules have been provided in the consultation documents to give an understanding of how the restrictions will be displayed. Should anyone wish to view any further map schedules please email Traffic.Orders@haringey.gov.uk
