Haringey Council provides many of the services which affect your day-to-day life – from keeping streets clean and providing decent housing, to looking after some of the most vulnerable people in our community and helping schools to provide the very best education for our children.

We are always striving to improve, and over the coming year we aim to save more than £7 million through greater efficiency. These savings will be ploughed back into frontline services in Haringey.

We recognise the strain that the difficult economic climate has placed on many residents, and we want to do all we can to avoid adding to that. That’s why we have committed to freezing Council Tax rates for 2010/11, but we remain 100 per cent committed to delivering quality services.

In the coming year we will be:

- Investing £4.3 million in children’s services and safeguarding
- Continuing with the £200 million Building Schools for the Future programme and also providing extra primary school places
- Helping vulnerable people to lead independent lives through aids and home adaptations
- Improving parks and leisure services
- Spending more than £3 million on street improvements
- Increasing recycling services
- Reducing the number of families in temporary accommodation
- Investing more than £3 million in employment and business support
- Launching a Credit Union
- Continuing with the Haringey Heartlands regeneration scheme

Your Council Tax or Business Rates will help to pay for these services.

This A to Z guide tells you about everything we do, so that you can find the service you need, when you need it. It also highlights what you get for your money, and where to turn if you need help paying bills.

You can do most of your business with the council online at [www.haringey.gov.uk](http://www.haringey.gov.uk) and many services are available over the phone through our call centre on 020 8489 1000.

If you have any questions or suggestions about Haringey Council, please do drop me a line to leader@haringey.gov.uk

Refuse and Recycling
Recycling
Haringey Council provides collections of a wide range of materials for recycling from houses, flats, estates and on-street banks. For more information, or to order containers for recycling, please telephone the number below.

Refuse collection
All streets have a refuse collection at least once every week. For more information telephone the number overleaf.
**Bulky Items**
Free collections of fridges, washing machines, televisions, computers, car batteries and some other items. Other bulky waste can be collected for a set fee. To book a collection, telephone the number below.

**Haringey Enterprise Call Centre**
T 020 8885 7700

Asbestos, solvent-based paint and other hazardous waste must be collected separately.

Progress in achieving the council’s priorities

A Greener Haringey

Haringey Council won the Public Sector Energy Award at the Government Business Awards in March 2009 in recognition of the strides the council has made with effective energy mapping and reduction in CO₂ emissions. The programme has already reduced the council’s carbon footprint by 812 tonnes in just over a year - the equivalent of taking 189 cars off the road – and saved around £170,000 a year in utility bills. Other savings measures include covers for the borough’s swimming pools and other measures to cut a further 500 tonnes of CO₂ a year.

Haringey Council has become the first major local authority to pledge to cut carbon emissions by 40 per cent by 2020. An action plan is being put together to ensure the council meets its commitment to the Friends of the Earth Get Serious About CO₂ Campaign.

Devonshire Hill Primary School has been given the first award in London for encouraging pupils to cycle to school. The school in Weir Hall Road, Tottenham, was given the Bike It School Mark (Bronze) by the sustainable transport charity Sustrans for increasing cycling levels from 2% to 17% within a year.

The number of children being driven to school by car has almost halved, from 18% to 10%.

A Better Haringey

Two new open spaces, Coldfall Wood and Wood Green Cemetery, were awarded the Green Flag Status in 2009, bringing the borough’s total to 14 parks – the most in London.

The work of Haringey Council’s Anti-Social Behaviour Action Team (ASBAT) was commended by the Prime Minister at a reception at 10 Downing Street in recognition of the “significant contribution” the team has made to the Government’s Community Crime Fighters programme.

The results of the first national Place Survey, conducted by Government as part of the Comprehensive Area Assessment process, showed that in Haringey satisfaction with waste collection is up by 11 per cent, to 75 per cent, and more people, 52 per cent, are happier with the state of our streets and open spaces.

Significant partnership activity and investment in tackling burglary is achieving results against crime: serious knife crime; serious acquisitive crime, arson; theft from motor vehicles, theft of motor vehicles, and personal robberies are all below target for the year.

Fewer people say crime is a top priority, and the proportion of residents saying they feel safe outdoors after dark, at 42 per cent, is the same as in the rest of outer London.
The council’s Enforcement Response Team won a national award for its efforts combating noise nuisance. The team came out top in the local authority section in the John Connell Awards 2009, which are run by the Noise Abatement Society.

**A Thriving Haringey**

GCSE results in Haringey have improved for the sixth year running. The GCSE pass rate in Haringey now stands at 97.8 per cent with 71.4 per cent of this year’s grades at A*-C, compared to 67.1 per cent last year. A-Level results showed a 4.3 per cent increase in the number of students getting the top grades. 71.4 per cent of grades were A to C, and the overall pass rate in Haringey is now 97.8 per cent.

Haringey libraries are the most popular in London, according to the latest government statistics. Interim figures from the Department of Culture, Media and Sports show that almost 60% of people in the borough have used Haringey libraries over the previous 12 months - the best in London and in the top 1% of all local authorities in England.

Bruce Castle Museum won a national award for customer service in the public service and education category in the Customer Service Team of the Year awards. The award is a tribute to the excellent work being done by the museum, which has welcomed 44,768 visitors in the last year. The museum team also won a top distinction in the London Archive Landmark Awards for its project working with adults with literacy difficulties on former Bruce Castle resident and inventor of the penny post Sir Rowland Hill.

More than 200 new jobs will be created in Haringey after the council won a bid for almost £1.5 million to boost work opportunities. The £1,436,500 from the Department for Work and Pensions Future Jobs Fund will be ploughed into helping young people and the long-term unemployed to access jobs, work experience and training.

Major regeneration schemes in Haringey include the Tottenham Hale master plan which is transforming the Hale Village where work has begun on homes and other facilities with funding of £2.5 million from the Department of Communities and Local Government Growth Area Fund.

**A Caring Haringey**

Haringey’s Adult social care services are “performing well”, according to the Care Quality Commission. The independent watchdog said the service was improving health and well-being, quality of life and economic well-being.

The number of 16-18 year olds Not in Education, Training or Employment (NEET) in November was 342 or 7% of the cohort, bettering the Council’s 10.4% stretch target.

The number of households in temporary accommodation has continued to reduce and stands at 3,716 at the end of December 2009, down significantly from 5,389 in April 2008.
Osbourne Grove nursing home won the Best Healthcare provider category at the prestigious national 2009 WOW! customer service awards in November. The Haven Day Centre and the Alexandra Road Crisis Unit were also finalists.

Haringey’s Supporting People programme is helping vulnerable people to lead independent lives. The percentage of vulnerable people achieving independent living (82%) and those supported to maintain independent living (98.5%) to the end of December 2009 are both exceeding target and bettering the 2008/09 London average. In addition, for 89.5% of cases, social care packages following assessment were delivered in 4 weeks.

**Driving Change, Improving Quality**

Haringey Council won the award for the best local authority at the national 2009 WOW! customer service awards in November 2009.

Haringey is continuing to improve leisure opportunities for residents: there were over 1 million visits to our sports and leisure centres in 2009; there are more than 21,000 Active Card members – over 5000 above target, and a free Swimming for over 60s and under 16s initiative was introduced in April 2009 and has been a huge success with over 40,000 free swims to date.

Haringey Council’s contact centre was named runner-up in the Good Communication Awards Contact Centre of the Year award. The contact centre deals with a million telephone calls and almost 20,000 emails each year.

According to the Place Survey, residents’ general satisfaction with the area is up by nine percentage points, to 70 per cent, one of the biggest increases in London. Haringey also has one of the highest scores in the capital, 40.3 per cent, for residents feeling they can influence local decision-making.

On Sunday 20 September, the first ever Harringay Green Lanes Food Festival was held 10,000 people attended the event, which was organised with Green Lanes’ Traders’ Association and other partners.
This year’s budget

This year, from April 2010 to March 2011, we plan to spend £416.6m (net of income) on providing council services. The tables and charts in this section show how this spend is divided up.

Precepts and levies
As well as delivering services directly, we give money to other organisations who provide services in the borough. These include the Greater London Authority (GLA).

Contributions to other organisations

Note: The Housing Revenue Account (council homes) budgeted to make a small surplus of £0.7m in 2009/10 and plans to use £2.871m of reserves in 2010/11.
Key budget differences between 2009/10 and 2010/11

- This year’s budget for council services is £7.8m more than 2009/10.
- This increase is caused by inflation and other unavoidable cost pressures of £15.6m, contributions to balances of £0.1m and offset by savings of £7.9m.
- Capital spending (which provides long term economic benefit) for 2010/11 will be £148.6m compared to £199.0m in 2009/10. This will mostly be paid for by grants, surplus assets and borrowing.
- Page 78 gives a breakdown of the 2010/11 Council Tax by valuation band.

For more information on budget issues, please either email: budgets@haringey.gov.uk or telephone the Budget Team on 020 8489 3758.
EFFICIENCY INFORMATION FOR LONDON BOROUGH OF HARINGEY, LONDON FIRE AND EMERGENCY PLANNING AUTHORITY AND THE METROPOLITAN POLICE AUTHORITY.

All councils, fire and police authorities are required to measure and report the value of efficiency savings they have achieved since April 2008. An efficiency saving occurs when the costs of an activity falls but the effectiveness and quality has not been reduced.

In 2009/10 the London Borough of Haringey has delivered several important efficiency programmes which have enabled significant improvements in service delivery and a reduction in costs. These include savings made in back office functions, IT operations, the commissioning of services, ‘smart working’ and the accommodation strategy. The London Fire and Emergency Planning Authority (LFEPA) is delivering efficiencies in non front line services, with the time spent by fire station staff on community safety continuing to both exceed target and improve year on year. The Metropolitan Police (MPA) is also delivering an efficient and effective police force, giving priority to public facing services and making savings where ever possible through a reduction in support service costs and overheads.

The table below shows the value of efficiency savings achieved by the end of March 2009 and forecast to be achieved by the end of March 2010 by the London Borough of Haringey, the London Fire and Emergency Planning Authority (which is a functional body of the Greater London Authority) and the Metropolitan Police Authority.

Each year councils are assessed by the Audit Commission on their use of resources and given a score out of 4 (4 being performing strongly and 1 being inadequate performance). For 2009 the London Borough of Haringey scored 3 out of 4, recognising Haringey Council’s strong performance in managing its resources. The Audit Commission awarded LFEPA a score of 3 in their most recent use of resources assessment showing they are ‘performing well’. The MPA also demonstrated adequate performance.
What is Council Tax?
Council Tax pays for about a quarter of the cost of our services to the borough. The rest comes from Government grants and Business Rates.

Who pays Council Tax?
Council Tax is paid by home-owners or tenants. We charge full Council Tax if there are at least two adults aged 18 or over living in a property. However, Council Tax can be reduced in certain circumstances (see pages 79 to 81).

If you do not live in your home, but own it, or have a tenancy of six months or more, you must still pay Council Tax if your home is:
- empty
- a second home
- a care home, nursing home or hostel
- lived in by more than one household (known as ‘houses in multiple occupation’)
- lived in by a minister of religion or a religious community, or
- sometimes used by an employer whose staff live at the property.

Joint Liability
Married couples and those living together as husband and wife or civil partners are jointly liable for payment of the Council Tax, whether or not they have an equal interest in the property. You should inform us if your bill does not include your partner’s name.

If you own or rent your home jointly, each of you may be jointly and severally responsible for payment of the bill. This means that the Council can require all or anyone of you to make payment of the Council Tax. Make sure you have clear arrangements with the other owners or tenants.

How much do I pay?
The Council Tax you pay depends on the value of your home in April 1991, as set by the Government’s Valuation Office Agency (not the council). Every home is in one of eight valuation bands (A to H). Your bill shows which band your property is in. Your Council Tax charges are worked out as a percentage of the band D rate, as shown in the table on page 78. The total band D rate is worked out by dividing the money to be raised by Council Tax £101.0m by the number of band D equivalent homes in the borough 85,256.
Appealing against your banding

You can appeal if:

- you have made major structural changes to your home, or there are physical changes in the local area that change the sale value

- you have become the Council Tax payer in the last six months (there are some restrictions – if you need more information contact the Valuation Office Agency at the address shown below)

- the Valuation Office has changed your band in the last six months

- a Valuation Tribunal has changed the band of a similar home in the last six months.

If you think you have reason to appeal, please contact the Listing Officer at:
The Valuation Office Agency
Chase House
305 Chase Road
Southgate N14 6LZ
Phone: 020 8276 2700
www.voa.gov.uk

The council cannot deal with any appeals. If you appeal, the law says you must continue to pay your current bill until the appeal is settled. You can also appeal against certain decisions made by the council, for example if we have refused to grant a discount or exemption and you believe you meet the requirements. In such circumstances you should write to us, heading your letter ‘Council Tax Appeal’ and send any supporting documents you believe will support your case. You must also state why you disagree with our decision.

The Council Tax section will review your case and provide you with a response. If you remain unhappy with the decision or do not receive a response within two months you may lodge an appeal with the Valuation Tribunal Service. Their address is:

Valuation Tribunal Service
Second Floor
Black Lion House
45 Whitechapel Road
London E1 1DU

</table>
Help with paying Council Tax

There are several ways we may be able to reduce your Council Tax bill. These include:
- discounts
- disability relief
- exemptions
- council tax benefit

There is a summary of each of these below. If you think you are entitled to a reduction, please ring us on 020 8489 3557. We will send you more details and an application form. Alternatively, you can download an application form direct from our website (www.haringey.gov.uk) which will advise you on any supporting evidence you need to supply.

Your bill will show you if we have already given you any reductions. Any changes affecting liability or the amount due must be notified within 28 days of the change to allow the council to independently verify the position. If this does not happen any claim may not be dealt with retrospectively.

Discounts

If you are the only adult aged 18 or over in your home, we will usually reduce your bill by 25%. This is called the Single Occupier's Discount.

You can also qualify for a 25% discount if all the other adults in your home are:
- full-time students or student nurses
- 18 to 19 year-olds who are at school or who have just left school
- severely mentally disabled
- caring for someone with a disability (other than a husband, wife, partner or child under 18)
- care workers on low pay (usually working for a charity)
- long-term hospital patients in care homes
- in prison (except those in prison for not paying Council Tax or a fine)
- staying in some hostels or night shelters
- members of religious communities, for example, monks or nuns
- apprentices or people on a Youth Training Scheme
- diplomats

You may also qualify for a discount of 10% if your property is unoccupied but furnished or used as a second home, or a 50% discount if you are required to live in job-related accommodation.

If you already receive a discount and the reason no longer applies, you must tell us straight away. Contact details are shown on your bill. Haringey Council is under a duty
to protect the public funds which it administers, and to this end may use information held about you for the prevention and detection of fraud. It may also share this information with other bodies responsible for auditing or administering public funds in order to prevent and detect fraud.

**People with disabilities**
If you, or anyone living with you, has a disability and changes have been made to your home to help the disabled person, we may be able to reduce the amount you have to pay. The amount you pay can be reduced to the valuation band immediately below your current one. If you think that you may be entitled to receive a reduction, you can download an application form direct from our website, www.haringey.gov.uk or telephone 020 8489 3557 for a form.

**Help us nail the cheats**
If for any reason you have information about someone you think is claiming a council tax discount or exemption in Haringey that they are not entitled to please contact us immediately on 020 8489 3557. You do not have to give your own details.

**Homes exempt from Council Tax**
You don’t have to pay any Council Tax at all on the following homes – they are ‘exempt’:

**Homes with nobody living in them which are**
- unfurnished (exempt for up to six months)
- owned by a charity (exempt for up to six months) or having structural changes or major repairs so they can’t be lived in (exempt for up to a year).

**Homes which have been left empty because someone**
- is in prison, hospital (long-term) or a care home
- has moved to care for another person or moved to receive care or has died and no grant of probate or letter of administration has been made (also exempt for six months after probate, as long as the property stays empty).

**Homes lived in only by people who are**
- under 18
- full-time students or
• severely mentally disabled (although the owner may still have to pay).

**Homes which**

• have been repossessed
• have nobody living in them and the last owner is bankrupt
• are waiting to be lived in by a minister of religion
• are empty but form part of another home and cannot be rented separately from it or are ‘granny’ flats.

To qualify as a ‘granny flat’, a person aged 65 or over or a disabled person must live in it. The person must also be a dependent relative of the person who lives in the rest of the property.

This is only a guide. Please contact us for more information. Your bill will show you if your home has already been treated as exempt.

**If you already receive an exemption and the reason no longer applies, you must tell us straight away. Contact details are shown below and on your bill.**

**If you move**

If you are moving, please let us know as soon as possible, including the names of the people moving into your old address, so that we can change your account quickly.

Just ring us on 020 8489 3557, click on www.haringey.gov.uk/change_address or write to us at:

**Benefits and Local Taxation Division**
**P.O. Box 10505**
**Wood Green**
**London N22 7WJ**

Email: council.tax@haringey.gov.uk

You can also call in at one of our Customer Service Centres with your details. The addresses are shown on page 100 of this booklet.

**Empty homes**

The council helps empty property owners by offering several services for long term vacant properties. This includes letting schemes and grants may also be available. For more information, please call the Empty Property Hot Line on 020 8489 4214.

**Council Tax Benefit**

If you are on a low income, or getting Income Support, Employment and Support Allowance, Pension Credit or Jobseeker’s Allowance, you may be entitled to Council Tax Benefit. There are two types of Council Tax Benefit: Main Council Tax Benefit and Second Adult Rebate.
How much you get will depend on
• the amount of your Council Tax bill
• your weekly income and any savings that you have
• the number of people living with you and their incomes and
• the number of children living with you.

If you have savings of £16,000 or more, you cannot get Main Council Tax Benefit unless you get Guarantee Credit from the Pension Service. People with disabilities can have income higher than the usual limit and still claim benefit.

If your income or savings are too high for Main Council Tax Benefit, you may be able to get a Second Adult Rebate. You can claim up to 25% if you are the only person responsible for paying Council Tax but share your home with one or more adults who:
• don’t pay rent; and
• aren’t your husband, wife or partner, and
• have a combined weekly income before tax of less than £228.00

If you are a student who is liable to pay Council Tax because you share with one or more adults who are not students, you can get 100% Second Adult Rebate if, apart from other students, everyone else sharing your home:
• doesn’t pay rent, and

• gets Income Support, income-related Employment and Support Allowance, Pension Credit or income-based Jobseeker’s Allowance.

For more Council Tax Benefit information
Call Customer Services on 020 8489 1000. You can also visit our Customer Service Centres. See page 100 for the addresses and opening times.
Or you can go to: www.haringey.gov.uk/benefits

If your questions are about any other reduction, please call the phone number on the front of your bill.

You must continue paying your Council Tax while your application for benefit is being considered.

Reporting changes in your circumstances
If we can pay you Council Tax Benefit, it is your responsibility to inform us of any changes that may affect the amount of money credited to your Council Tax account. Unreported changes can lead to benefit being overpaid, which we can ask you to repay.
Things you must tell us about:
• If you or your partner’s income or benefits go up or down
• If you, your partner or other
If you are in receipt of Pension Credit you do not need to tell us about changes in your income as the Pension Service should do this for you.

How to Pay Council Tax and Business Rates

Paying by Direct Debit

If it is difficult for you to pay by the 1st of each month, you can pay by Direct Debit. If you change to Direct Debit we will give you a choice of two payment dates, either the 1st or 15th of each month. If you would like to pay by Direct Debit, please fill in the form on page 101 and return it to us as soon as possible.

Why choose Direct Debit?
Many people prefer Direct Debit because it is easier and cheaper as long as you have a bank or building society account. It also helps keep our costs down, which makes more money available for the services we all need. Please see page 101 for a Direct Debit mandate.

No bank account?
Why it could pay you to have one
The Financial Services Authority (FSA) can offer you independent advice on how to open and use a basic bank account. Please call 0845 606 1234 for an information booklet.

Receive your Council Tax bill by e-mail
Receiving your bill by e-mail is quicker, cheaper and better for the environment as it saves on the use of paper.

If you register for this service, your Council Tax bills will be produced online. An e-mail will be sent to you telling you that your bill is available to view online.

You can also view a full statement of your account from 1 April 2007 onwards. You can see details of all payments, any discount, exemption, relief or Council Tax Benefit as well as your current instalment plan.
If you are interested in receiving your bill by e-mail and gaining access to your Council Tax details online, visit: www.haringey.gov.uk/citizensaccount to see details of the scheme and how you can sign up.

Other ways to pay

Instalments are normally payable each month from April 2010 to January 2011.

Payments are due on the first day of the month if you pay by cash, cheque, credit or debit card or standing order. Please refer to your bill and check the dates to see when your instalments are due.

Paying by credit and debit card

You can use your credit or debit card to pay your Council Tax and Business Rates. Payment by credit and debit card can be made:

- Over the internet
  www.haringey.gov.uk/epaymentintro

- Or by phone
  Using the automated telephone payment service on 0845 070 1414. Select option 1 for Council Tax or option 4 for Business Rates. You will be asked to quote your Council Tax or Business Rates account number.

You can also call Customer Services during office hours on 020 8489 3557 (Council Tax) or 020 8489 3551 (Business Rates).

If you pay by cash or cheque through a bank or post office you should allow at least five working days for your payment to reach your Council Tax or Business Rates account.

Telephone and PC banking

Most banks and building societies offer telephone and on-line banking services. To make a payment, contact your bank or building society and quote Haringey’s bank account number 90662997 for Council Tax or 90663004 for Business Rates, sort code 60-24-23 and your full Council Tax or Business Rates account number.

Other Payment Services

Swipe payment card – Council Tax only

If you currently pay your Council Tax by cash, cheque or standing order you can now pay by swipe payment card. This free to use card will allow you to pay your Council Tax locally where you see one of the signs above. If you do not have a payment card please contact Customer Services.
What happens if I don’t pay?

We take non-payment very seriously as it means we do not have the income we need to run the services on which many depend.

If you don’t pay your bill by the date it is due, we will take action to recover the amount you owe.

Firstly, we’ll send you a reminder notice. A maximum of two reminders will be sent to you in any one year (one reminder in the case of Business Rates). If you don’t pay within seven days, we will send you a court summons, which adds extra costs for you to pay.

It is important that you contact us as soon as possible if you are having difficulties in meeting your monthly instalments.

We will review your circumstances and advise you how to repay the amount owed. We will also look at ways to reduce the amount payable by way of reductions. If you fail to do so it is likely that recovery action will be taken against you and this will include additional costs to you.

If it is necessary for us to issue a summons against you for non-payment, we will apply for a liability order against you. This hearing takes place in a Magistrates’ Court.

Once a liability order is granted we can take further recovery action against you such as:

- declare you bankrupt in court (this will mean you won’t be able to get a loan, a mortgage or a bank account)
- send bailiffs to take away goods to the value of the money you owe
- get your employer to take the money from your earnings (in the case of Council Tax)
- deduct amounts from your benefits in respect of Council Tax arrears
- ask the Magistrates’ Court to consider sending you to prison.

Please remember that we will take action against those who wilfully withhold or avoid payment of council tax, the results of which can include the loss of your home.

To avoid unnecessary action being taken against you, you must pay your council tax on time. If you get a letter from us but can’t pay, contact us as soon as you can and we’ll do our best to help you.

Do not ignore the letter!

We can also offer the option to pay by direct debit to people with arrears. Please contact us straight away to arrange this.
Just ring us on **020 8489 3557** (Council Tax) or **020 8489 3551** (Business Rates), or write to:

**Benefits and Local Taxation Division**

P.O. Box 10505
Wood Green London N22 7WJ

Email: council.tax@haringey.gov.uk
or business.rates@haringey.gov.uk

For Council Tax enquiries you can also call in at one of our Customer Service Centres with your details. The addresses are shown on page 100 of this booklet.

---

**If you can’t pay your Council Tax**

The council recognises that 2010/11 is going to be difficult for many households. If your circumstances change, for example if you lose your job, please contact us straight away if you cannot pay or are falling behind with your payments. We will do all we can to help you. The sooner you get in touch, the more help and advice we will be able to offer.

Confidential debt counselling is available from a Citizens Advice Bureau. There are three in Haringey.

Business Rates

This section contains information provided by the Government.

Non-Domestic Rates
Non-Domestic Rates – or Business Rates, collected by local authorities are the way that those who occupy non-domestic property contribute towards the cost of local services. Except in the City of London, where special arrangements apply, the rates are pooled by central government and redistributed to local authorities as part of the annual formula grant settlement. The money, together with revenue from Council Tax payers, revenue support grant provided by the Government and certain other sums, is used to pay for the services provided by your local authority and other local authorities in your area.

Business Rate Supplements
The Business Rate Supplements Act 2009 enables levying authorities - county councils, unitary district councils and, in London, the Greater London Authority - to levy a supplement on the Business Rate to support additional projects aimed at economic development of the area. Business Rate Supplements (BRS) are not applicable to properties with a rateable value of £55,000 or below, and authorities have discretion to increase that threshold. The total maximum BRS which may be levied by a levying authority is 2p per pound of rateable value. Levying authorities have the power to apply such reliefs to the BRS as they think appropriate and in such cases must include an explanation of the rules for the application of those reliefs in the final prospectus for the BRS. This BRS is being levied by the Greater London Authority in relation to the Crossrail project. Further information may be found in the BRS project prospectus, which is titled ‘Intention to levy a business rate supplement to finance the Greater London Authority’s contribution to the Crossrail project – Final Prospectus’. See www.london.gov.uk/crossrail-brs.

Rateable Value
Apart from properties that are exempt from Business Rates, each non-domestic property has a rateable value which is set by the valuation officers of the Valuation Office Agency (VOA), an agency of Her Majesty’s Revenue and Customs. They draw up and maintain a full list of all rateable values, available on their website at: www.voa.gov.uk

The rateable value of your property is shown on the front of your Business Rates bill. This broadly represents the
yearly rent the property could have been let for on the open market on a particular date. For the revaluation that came into effect on 1st April 2010, this date was set as 1st April 2008.

The valuation officer may alter the value if circumstances change. The ratepayer (and certain others who have an interest in the property) can appeal against the value shown in the list if they believe it is wrong, or if the property should be exempt from rating or not rated at all.

Further information about the grounds on which appeals may be made and the process for doing so can be found on the VOA website or from your local valuation office, whose contact details are:

The Valuation Office Agency
Chase House
305 Chase Road
Southgate
London N14 6LZ

Phone: 020 8276 2700
www.voa.gov.uk

**National Non-Domestic Rating Multiplier**
The local authority works out the Business Rates bill by multiplying the rateable value of the property by the appropriate multiplier. There are two multipliers; the standard non-
domestic rating multiplier and the small business non-domestic rating multiplier. The former is higher to pay for small business rate relief.

Except in the City of London where special arrangements apply, the Government sets the multipliers for each financial year for the whole of England according to formulae set by legislation. Between revaluations the multipliers change each year in line with inflation and to take account of the cost of small business rate relief. In the year of a revaluation the multipliers are rebased to account for overall changes to total rateable value and to ensure that the revaluation does not raise extra money for Government. The current multipliers are shown on the front of your bill.

**Revaluation 2010 and Transitional Arrangements**
All rateable values are reassessed every five years at a general revaluation. The current rating list is based on the 2010 revaluation. Five-yearly revaluations make sure each ratepayer pays their fair contribution and no more, by ensuring that the share of the national rates bill paid by any one ratepayer reflects changes over time in the value of their property relative to others. Revaluation does not raise extra money for Government.
Whilst the 2010 revaluation will not increase the amount of rates collected nationally, within this overall picture, over a million properties will see their Business Rate liabilities reduced and some ratepayers will see increases.

For those that would otherwise see significant increases in their rates liability, the Government has put in place a £2 billion transitional relief scheme to limit and phase in changes in rate bills as a result of the 2010 revaluation. To help pay for the limits on increases in bills, there also have to be limits on reductions in bills. Under the transition scheme, limits continue to apply to yearly increases and decreases until the full amount is due (rateable value times the appropriate multiplier). The scheme applies only to the bill based on a property at the time of the revaluation. If there are any changes to the property after 1st April 2010, transitional arrangements will not normally apply to the part of a bill that relates to any increase in rateable value due to those changes. Changes to your bill as a result of other reasons (such as because of changes to the amount of small business rate relief) are not covered by the transitional arrangements.

The transitional arrangements are applied automatically and are shown on the front of your bill. Further information about transitional arrangements and other reliefs may be obtained from Haringey Council or the website www.mybusinessrates.gov.uk

More information on revaluation 2010 can be found at www.voa.gov.uk

**Unoccupied Property Rating**

Business Rates will not be payable in the first three months that a property is empty. This is extended to six months in the case of certain industrial properties. After this period rates are payable in full unless the unoccupied property rate has been reduced by the Government by order. In most cases, the unoccupied property rate is zero for properties owned by charities and Community Amateur Sports Clubs. In addition, there are a number of exemptions from the unoccupied property rate. Full details on exemptions can be obtained from the local authority. If the unoccupied property rate for the financial year has been reduced by order, it will be shown on the front of your bill.

**Partly Occupied Property Relief**

A ratepayer is liable for the full non-domestic rate whether a property is wholly occupied or only partly occupied. Where a property is partly
occupied for a short time, the local authority has discretion in certain cases to award relief in respect of the unoccupied part. Full details can be obtained from the local authority.

**Small Business Rate Relief**

This relief is only available to ratepayers who apply to their local authority and who occupy either—

(a) one property, or

(b) one main property and other additional properties providing those additional properties each have a rateable value which does not exceed £2,599.

The rateable value of the property mentioned in (a), or the aggregate rateable value of all the properties mentioned in (b), must not exceed £17,999 outside London or £25,499 in London on each day for which relief is being sought. If the rateable value, or aggregate rateable value, increases above those levels, relief will cease from the day of the increase.

Ratepayers who satisfy these conditions will have the bill for their sole or main property calculated using the lower small business non-domestic rating multiplier rather than the national non-domestic rating multiplier that is used to calculate the liability of other businesses.

In addition, if the sole or main property is shown on the rating list with a rateable value which does not exceed £12,000, the ratepayer will receive a percentage reduction in their rates bill for this property of up to a maximum of 50% for a property with a rateable value of not more than £6,000.

If an application for relief is granted, provided the ratepayer continues to satisfy the conditions for relief which apply at the relevant time as regards the property and the ratepayer, they will not need to re-apply for relief in each new valuation period.

Certain changes in circumstances will need to be notified to the local authority by the ratepayer (other changes will be picked up by the local authority). The changes which must be notified are—

(a) the ratepayer taking up occupation of a property they did not occupy at the time of making their application for relief, and

(b) an increase in the rateable value of a property occupied by the ratepayer in an area other than the area of the local authority which granted the relief.

Notification of these changes must be given to the local authority within 4 weeks of the day after the day on which the change happened. If this happens, there will be no interruption
to the ratepayer’s entitlement to the relief. A notification that the ratepayer has taken up occupation of an additional property must be by way of a fresh application for relief; notice of an increase in rateable value must be given in writing.

Full details on the eligibility criteria and on how to apply for this relief are available from the local authority.

**Charity and Community Amateur Sports Club (CASC) Relief**
Charities and registered CASCs are entitled to 80% relief where the property is occupied by the charity or the CASC, and is wholly or mainly used for charitable purposes of the charity (or of that and other charities), or for the purposes of the CASC (or of that and other CASCs).

The local authority has discretion to give further relief on the remaining bill. Full details can be obtained from the local authority.

**Non-Profit Making Organisation Relief**
The local authority has discretion to give relief to non-profit making organisations. Full details can be obtained from the local authority.

**Hardship Relief**
The local authority has discretion to give relief in special circumstances. Full details can be obtained from the local authority.

**Deferred Payment of 2009/10 Rates Liabilities**
Ratepayers in 2009/10 were able to defer payment of 3% of their 2009/10 rates bill and, where applicable, 60% of the increase in that bill due to the ending of the 2005 rating list transitional relief scheme. The right to apply for deferral has now ended. For those ratepayers who applied for this scheme, the deferred amount to be collected in 2010/11 and 2011/12 will be included in the bills for each of those years respectively.

**Rating advisers**
Ratepayers do not have to be represented in discussions about their rateable value or their rates bill. Appeals against rateable values can be made free of charge. However, ratepayers who do wish to be represented should be aware that members of the Royal Institution of Chartered Surveyors (RICS – website www.rics.org) and the Institute of Revenues, Rating and Valuation (IRRV – website www.irrv.org) are qualified and are regulated by rules of professional conduct designed to protect the public from misconduct.
Before you employ a rating adviser, you should check that they have the necessary knowledge and expertise, as well as appropriate indemnity insurance. Take great care and, if necessary, seek further advice before entering into any contract.

If you would like more information about Business Rates please contact us either by phone on: 020 8489 3551 by email: business.rates@haringey.gov.uk or by writing to: NNDR Team (Haringey), PO Box 55280 London N22 9EN

**Check your account online**
You can now check your Business Rates account details on the Haringey website. For further information or to register, please visit our website at: www.haringey.gov.uk/citizensaccount

Your Business Rates payment does not include a waste collection service. For more information about trade waste collection, phone Haringey Enterprise Limited, on 020 8885 7700.

---

**Paying your Business Rates Bill**
Your Business Rates bill will advise you of the amount payable for the year and of the amounts you are due to pay monthly in respect of 2010/11 (usually over 10 months from April-January).

If you wish to pay over twelve months you should contact us immediately. This option is available from the beginning of the financial year and it is recommended that you contact us urgently if you wish to extend your instalments to March 2011. This option is offered to ratepayers who sign up for payment by direct debit; or make payments by the 1st of the month for any other method of payment.

We recommend payment by direct debit which allows you to choose to pay on either the 1st or the 15th of the month. Please complete the direct debit mandate on page 101 and return to us immediately.

Please see pages 83-84 of this booklet or the back of your bill for details of other methods of payment.

If you are experiencing difficulty in paying your bill you should contact us immediately. Failure to pay will result in recovery action being taken against you and you may incur additional costs.
Greater London Authority

Introduction
Boris Johnson’s second budget continues to deliver on his priority to provide taxpayer value and for the second year running he has frozen the GLA’s element of the Council Tax for residents of the 32 London boroughs, as well as fulfilling his manifesto commitment that Band D households would continue to pay only 38p a week for the 2012 Olympic and Paralympic Games. In the current economic climate the public sector must do more with less. This budget delivers sustained investment in key services without any extra cost to the council taxpayer. The Mayor will continue to invest in his priorities by maintaining front-line policing levels, improving public transport, investing in new local green spaces to make our city cleaner and greener, ensuring the capital emerges from the recession ready to compete and working to make London the World’s Best Big City.

Council Tax and Budget Information
The GLA’s take of the Council Tax for Band D is £309.82 or £5.96 a week. How this is made up is laid out below.

<table>
<thead>

</table>

A Band D Council Tax payer in the City of London, which has its own police force, and therefore does not fund the Metropolitan Police, will pay £92.99.

Investing in Front Line Services
When everyone is feeling the squeeze and people are feeling less secure in their jobs it is even more important that City Hall does all it can to do more with less, while improving public services and continuing the
investment London so dearly needs to come out of recession ready to compete with the world.

**Restructuring City Hall and Controlling Costs**
The Mayor has put value for money at the very heart of his administration and has controlled costs tightly as well as ruthlessly cutting out waste. City Hall has been streamlined to deliver his priorities to Londoners more efficiently and effectively. There has been a net reduction of 13 per cent in the permanent staff headcount.

These back office savings release money which will fund the Mayor’s key priorities: enabling three new Rape Crisis Centres to be established; improving London’s parks and open spaces; delivering, at 50,000, the largest number of affordable homes in a single Mayoral term; ending entrenched rough sleeping by 2012 and delivering the largest buildings retrofit programme – making them cleaner and greener – ever attempted in London.

**Policing**
The Mayor’s first priority is to make London safer. This budget enables the Police to continue to address youth violence as well as tackling gun and knife crime.

There is also extra funding for Operation Blunt 2 to take knives off the streets and also to tackle rape crime. The increasing problem of dangerous dogs will also be tackled more effectively.

Operation Herald, which is working to have clerical roles in police stations performed by civilians, will free up officers to go out on the beat. The budget will maintain the record numbers of uniformed crime fighters on public transport.

**London’s Transport System**
Following the recession and the collapse of Metronet very difficult decisions on fares have had to be made to maintain vital transport investment, whilst protecting free and concessionary travel for London’s elderly, young and those on low incomes. The Mayor has extended concessionary travel to the unemployed and Employment & Support Allowance claimants as well as those on income support. The Freedom Pass for older and disabled Londoners will continue to be valid 24 hours a day on TfL services. This means that forty per cent of bus passengers will be travelling for free or at a substantial concessionary rate.
The backoffice savings that have had to be made by TfL to maintain frontline investment has more than doubled from last year, with £1.9 billion of planned savings between 2009-10 and 2012-13. These savings will help secure investment in current and future transport improvements including:

- Financing the main construction works for the Crossrail project, which will increase London’s rail capacity by over 10%;

- Introducing Oystercard Pay As You Go on London’s National Rail network making journeys for rail users both cheaper and Continuing the upgrade of the Tube and introducing air conditioned trains for the District, Circle, Hammersmith & City and Metropolitan Lines;

- Making London a genuine cycle-friendly city through completion of the first two cycle super highways and the launch of cycle hire.

2012 Olympics and Paralympics
The amount to be raised for the Games through the Council Tax remains at £20 – or 38p a week - for a Band D household. This delivers on the Mayor’s commitment that it would not increase. The GLA will seek to ensure the benefits of the Games are seen London-wide. The budget also includes an allocation for a new City Operations programme to ensure necessary preparations are made in the run-up to and during the Games.

London Fire Brigade and Emergency Planning
The LFEPA budget is being placed on a firmer footing after several years when it has had to balance its books by using up reserves. The authority is building on its recent successes in reducing fires, fire deaths and arson attacks as well as hoax calls.

The budget provides for four bulk extinguishing materials centres strategically located across London. LFEPA will also work with local communities to inform and educate about how to reduce the risk of fires and other emergencies, targeting those most at risk.
Summary of GLA Group Budget

The tables below provide information on the key funding sources for the GLA, including Council Tax and the reasons for the changes in the overall budget.

<table>
<thead>

This guarantee should be detached and retained by the Payer

The Direct Debit Guarantee

- This guarantee is offered by all banks and building societies that take part in the Direct Debit Scheme. The efficiency and security of the scheme is monitored and protected by your own bank or building society.
- If the amounts to be paid or the payment dates change Haringey Council will notify you at least 14 days in advance of your account being debited or as otherwise agreed.

- If an error is made by Haringey Council or your bank or building society, you are guaranteed a full and immediate refund from your branch of the amount paid.
- You can cancel a Direct Debit at any time by writing to your bank or building society. Please also send a copy of your letter to Haringey Council.
Your guide to getting the right treatment

GP surgery

A GP looks after the health of local people and deals with a wide range of health issues including general advice, contraception, maternity services and vaccinations. GPs can refer you to a hospital or specialist if you need further care. To find your local GP or if you are having difficulties registering with a local GP call Haringey Patients Services on 020 8370 8100 or visit www.nhs.uk

Self-care

A well stocked medicine cabinet in the home will help you deal with many minor ailments such as coughs, sore throats, toothaches and headaches. If symptoms persist or worsen call NHS Direct on 0845 4647

Dentists

Everyone should be registered with a dentist. Some dentists choose to work with private (non-NHS) patients only, so if you want treatment on the NHS you should always ask your dentist if they carry out NHS work. To find an NHS dentist near you call 020 8370 8100 or visit www.nhs.uk

NHS walk-in Centres

If you have suffered a minor injury, need to see a doctor or nurse quickly or need emergency contraception visit the walk-in centre at North Middlesex University Hospital, Sterling Way, N18. Open from 8am to 10pm Monday to Friday and 8.30am to 10pm weekends and public holidays. You can also visit The Laurels Healthy Living Centre, St Ann’s Road, Tottenham, N15 3TH. The Personal Medical Service Practice is open 8am until 8pm, seven days a week. Their walk-in service is available from 6.30pm to 8.00pm seven days a week.
Out of hours ➔
If you are registered with a GP in Haringey and become ill outside of your normal doctor’s opening times, (6.30pm-8am weekdays and all day weekends and bank holidays), call your GP Practice or call Camidoc on 020 7388 5800. Your details will be taken and a GP will call you back to discuss your symptoms. Camidoc should only be contacted for medical problems that cannot wait until your GP surgery is next open. If you require urgent dental care outside normal opening hours please call 020 7391 6366. This line is open 6.30pm-8am weekdays and all day weekends and bank holidays.

NHS Direct ➔
NHS Direct provides 24-hour access to health advice and information. It is staffed by experienced nurses so contact NHS Direct if you are feeling unwell. If you feel worse, contact your GP. NHS Direct is available 24 hours. Call 0845 4647 or visit www.nhsdirect.nhs.uk

Accident & emergency department ➔
If it is an emergency that needs assessment or treatment go to the accident & emergency department at:
- North Middlesex University Hospital, Sterling Way, N18 1QX.
- The Whittington Hospital, Magdala Avenue, N19 5NF.

Pharmacy ➔
From sprains to stomach upsets, your local pharmacist can give expert advice without an appointment. They can also help you stop smoking and give emergency hormonal contraception – sometimes known as the morning after pill. To find a list of local pharmacies visit www.nhs.uk or call NHS Direct on 0845 4647.

999 ➔
Ring 999 to be taken to A&E for emergencies such as loss of consciousness, severe chest pain, serious accident and loss of blood.
Many people have the skills and qualities to become good foster carers.
At the Haringey Fostering Service we have invested a lot in the support that we provide our foster carers in order for them to get the most out of the task.
We offer great training opportunities to learn new skills and develop those you already have. We have a team of specialist social workers who give you individual support and supervisions both in and outside of office hours. We offer very competitive allowances and can provide you with a computer.

For more information please come along to one of our information sessions. To book your place or find out more please call us.
My Cleaner Haringey.

‘I clean up after my dog’

Pamela
Finsbury Park

Please clean up after your dog and use the dog waste bins available.

MALE ONLY SWIMMING SESSIONS

Mondays and Wednesdays from 9pm – 10pm in the main pool at Tottenham Green Leisure Centre. Call 020 8489 5322 or email active@haringey.gov.uk for more details.

www.haringey.gov.uk
Eggs are magic. We always have a dozen in the kitchen. After footie on Saturday I do a big omelette for the kids using the leftovers in the fridge. They never get bored of them as every one I make is different. Veg, potatoes, meat... whatever, it all goes in the pan, then I just pour over these eggs. Nice.

lovefoodhatewaste.com has more tips and recipes to help you waste less food and save up to £50 a month.
Do you have experience caring for children with disabilities?

The Haringey Short Breaks Service links disabled children and their families with another family or individual to give them a short break.

The children are aged between 0-18 years old. Our children and short break carers come from many different backgrounds, religions and cultures.

The length of time and regularity of the ‘breaks’ you will provide depends on the needs and wishes of the family and child you will be caring for. A break could be a few hours a week or even a weekend stay or longer.

As a short break carer you will be offered training and support. You will also receive expenses for the time that you have the child, mileage and any travel costs. We also provide equipment you may need.

Your support will provide the child with opportunities to enjoy new experiences and build new relationships and the family to have a break from caring.

If you would like to receive an information pack or talk to us please call us.

Haringey Short Break Service

020 8489 3787
Did you know?

If you care for someone else’s child for **28 days** or more and are not a close relative, you may be a private foster carer and you must notify your local council.

To notify us or find out more call 0800 634 0480

www.haringey.gov.uk
