## **YOUTH TRAINING TRAINEES**

The full Council Tax bill assumes that there are 2 adults residing in a dwelling. However for Council Tax purposes certain people will not be counted when looking at the number of adults. The effect of disregarding certain adults may be to reduce the Council Tax bill by 25% or 100%.

**EXAMPLE** 4 adults residing in a property

one person in disregarded category	100% charge as there are still more than 2 adults to be counted.
two persons in disregarded category	100% charge as there are still 2 adults to be counted.
three persons in disregarded category	75% charge as only one adult is to be counted.
four persons in disregarded category	50% charge as there are no adults to be counted.

Below are answers to some questions about who should be disregarded under this category, for the purpose of assessing Council Tax discount.
