Subject: pinkham way

To Whom it may concern,

I am a resident in , very close to the Pinkham Way and I am very concern about the planning.

The main points are:

- I have not been consulted
- the sites is very close to local school
- the traffic is already very bad in this part of London
- the retail park is very close to the site and there will be a serious impact on jobs

Therefore I strongly opposed the development of the plan at this site

Yours Sincerely

Paolo De Coppi
