### Distance of last child offered under the distance criterion, as at 1 September (miles)

This table shows the furthest distances at which offers have been made (under the distance criterion), as at 1 September in each respective year.

These distances may be further from the school than those able to be offered on National Offer Day (see table above). This is due to the small percentage of places offered on National Offer Day which are then not accepted for various reasons, allowing places to be offered to children living further from these schools.
