Subject: NLWA / Friern Barnet Sewage Works
Dear Sir,

I should like to add my support to those objecting to the reclassification of the land DEA 6 "Friern Barnet Sewage Works" such that a waste recycling plant can be built there. I work in Osterley, down wind of a recycling centre, and the smell of rubbish is both very noticeable and very unpleasant on days when the wind blows from the North East. I place no faith in any operator's claims that they are able to manage these smells or negate them.

I should also add that the process of obfuscation that has been followed by Haringey council during the planning process, and the total lack of public consultation, reflects incredibly poorly on yourselves.

Yours,

Kieron Edwards.

A Blake Road home owner who, despite being directly affected by this proposal, has received nothing (compared, for example, to the literature on the Bounds Green/A406 work) from yourselves.

Kieron Edwards
