

How do I register my card details?

The following payment process is based on the customer having already registered and having setup their address and card details. From the eStore Haringey online payments home page enter your registered Email address and your Password and click .

By default, you are presented with your eStore Home Page.

You can register card details via the 3 dots just to the right of the basket icon

Home Payment List Payment History

My Account

From the drop-down list select **My Account**. This will open a screen with three pages:

- **Account details** which contains your name and email address, your security details i.e. D.O.B, secret question and answer and email preferences which are set by default to No for Global and Personal messages.
- **Contact Details** which contains your address and phone numbers.
- **Registered Cards** which contains any Debit or Credit cards you have registered.

To register a new card, click the **Registered Cards** link, click **Add new card** to register a card on your account.
