

Keeping you and your money safe

Please seek help and advice if someone is:

- Taking your money or belongings or you feel pressured and can't say no
- Using money for your care on themselves
- Persuading, tricking or threatening you for money, your things or your property
- Making benefit claims in your name for money you never see
- Trying to make you change your will
- Preventing you from working
- Moving in or refusing to leave your home
- Or if what someone is suggesting could be a money scam on phone, email or at your door - if it sounds too good to be true, it probably is!

REMEMBER - Anyone can do these things, whether they know you or not. It could be a family member, a friend, neighbour, carer or stranger!
