

How do I get a swipe card?

Pick up an application form from the Finsbury Park Cycle Park office, which is open from 06.00-10.00 and 16.00-20.00, Monday-Friday and 08.00-18.00 at weekends. Or download a form from tfl.gov.uk/cycling

Fill it in and bring it along to the Cycle Park office. We will take a photograph of you and attach it to your completed application form for identification purposes. You will need to pay a £5 deposit for your swipe card – which is refundable on return of your undamaged card.

Then you simply top up your card at the Cycle Park office whenever you need to.

**London's largest
staffed cycle
park is open from
24 March 2006**

Introducing the largest staffed cycle park in London

More and more Londoners are getting on their bikes in an effort to stay fit and beat the traffic. To overcome one of the few drawbacks of cycling in the capital – finding a safe place to park your bike – Finsbury Park Station has opened London's largest staffed cycle parking facility.

Located off Stroud Green Road, opposite Finsbury Park Transport Interchange, it provides:

- Secure, covered parking for 125 bicycles
- 24-hour access, covered by CCTV
- A cycle park attendant during peak hours
- A smartcard payment facility

If you live in Zone 3 you could save money by cycling to Finsbury Park Station, locking your bicycle in the cycle park, and buying a Zone 2 ticket for the rest of your journey. Apart from the health benefits of cycling, this is a good reason to dust off your bike and give it a go.

There will be a small charge for this service of 50p for 24 hours.

To find out more about this new cycle parking facility, and to request a copy of your local cycle guide, visit tfl.gov.uk/cycling
