Dear Mr Ball

**Planning Act 2008
London Borough of Haringey Community Infrastructure Levy – Draft Charging
Schedule**

I am writing on behalf of the Mayor with comments on the London Borough of Haringey's Community Infrastructure Levy (CIL) draft charging schedule.

We are pleased to note that the Mayor's CIL has been taken fully into account in bringing forward your Borough's proposals as required by regulation 14(3) of the Community Infrastructure Levy Regulations 2010 (as amended).

I would be grateful if you could note our request to be notified of submission of your draft charging schedule for examination, publication of the examiner's recommendation and approval of the charging schedule. We would also request that we be heard at any public examination that is held into your draft schedule in accordance with regulation 21 of the Community Infrastructure Levy Regulations 2010, in particular to address the question of compliance with regulation 14(3).

Yours sincerely

Andrew Barry-Purssell
