## Breath-taking, incredible and amazing. Our students bucked national trends this summer with rising A-level and GCSE results.

The number of Haringey students gaining 5 or more GCSE A\*-C including English and Maths rose by 10 per cent to 64.6 per cent as results fell across the country. And our A-level students achieved an 8 per cent rise in the number of A\* - B grades from 58 per cent in 2015 to 66 per cent after 2016, 13 per cent above the national average. That means of every three A-level exams taken in Haringey two resulted in a grade A\*, A or B.

It wasn't fate, a fluke or simply good fortune that led to these brilliant GCSE and A-level results. Instead it was the talent, tenacity and teamwork of students, teaching staff and parents from every school and college in Haringey.

We will continue to do everything in our power to give our young people the support they need to succeed in their GCSE and A-levels. I am particularly keen to encourage more students to study science, technology, engineering and maths so they are at the front of the queue for the high tech jobs of the future. Why shouldn't the next Steve Jobs or Ada Lovelace come from Haringey?

That's why a year ago I asked Baroness Sally Morgan to examine how we can bridge the skills gap and ensure young people aren't left behind. Sally worked alongside Robert Peston, Political Editor of ITV News, Andrew Harrison, Chief Strategy Officer of Manchester Airport Group CEO, former Tomorrow's World presenter Maggie Philbin and Michael McKenzie, Headteacher of Alexandra Park School. Their ground-breaking report which was published over the summer recommended big changes to the teaching of science, technology, engineering and maths to ensure our young people in Haringey don't get left behind.

That change starts now. This autumn the Ada National College for Digital Skills has opened its doors in Tottenham Hale. The college is named after Ada Lovelace, a mathematician, who wrote what many consider to be the earliest computer programme in 1842. The new college will give young people in Haringey the latest high-tech skills and qualifications, from software programming to games design and app development.

Our GCSE and A-level results and the National College for Digital Skills shows Haringey is moving in the right direction. Our talented students have bucked the national trend with their hard work and we are all extremely proud of their achievements. I wish them well as they go on to university, an apprenticeship, college or a gap year.

Haringey's Police Chief, Helen Millichap

One thing I really want to see us doing is getting out and engaging with people more, particularly young people.

## Meet Haringey's new Police Chief

Weeks into her new role at the helm of Haringey Police, we caught up with Borough Commander Helen Millichap to find out a bit more about her and what she has made of the borough so far.

The first few weeks in a new job are always a bit of a blur and the post of Haringey's most senior police officer is no exception. Since starting at Haringey in June 2016, Chief Superintendent Helen Millichap has been in a whirlwind of meetings with residents, businesses and community organisations, while introducing herself to her hundreds of staff and getting to grips with one of London's most vibrant and diverse boroughs.

"I want to hear from other people what they think the police priorities should be, rather than sweep in with a load of my own," she says. "Haringey is an amazing place, with so much diversity and a community that has come through a lot. What seems to tie everyone together is a strong sense that everyone – whether they live, work or

volunteer here – is working really hard to making Haringey even better.

"One thing I really want to see us doing is getting out and engaging with people more, particularly young people. I want us to go out into schools, both secondary and primary. I want the first contact young people have with the police to be positive and informative. Everyone I've spoken to about this so far has been really excited – both police officers and non police officers."

Helen was previously borough commander in Greenwich and before that worked in Islington, Hackney and Newham, as well as in the Counter Terrorism Command. A mum-of-two, who enjoys cycling and baking in her spare time, she has a career spanning nearly 20 years in the Met.

Helen says she is excited about the new challenge that Haringey presents. "Haringey is a unique place with a unique community and I'm keen to ensure that our approach and response to things is tailored to fit that. That's why I'm keen for my officers to be as close to communities as they can be so that we can play a role in identifying and solving local issues."

## Report recommends support for STEM skills

A groundbreaking report recommending major changes to the teaching and learning of science, technology, engineering and maths (STEM) has been published by the Haringey STEM Commission.

Set up by Haringey in autumn 2015, the Haringey STEM Commission is an independent group, chaired by Baroness Morgan, which was asked to raise attainment in STEM subjects.

It made 12 recommendations including:

- Establishing a 'Haringey Diploma', developed and accredited by employers, business leaders and experts, based on STEM subjects.

- Setting up two centres of STEM teaching excellence to support and train local teachers.
- Appointing a Haringey STEM coordinator to work with teachers to increase after school teaching and learning.
- Encouraging STEM professionals to volunteer in Haringey schools

Haringey will work with schools, other education institutions, employers and national organisations to implement the recommendations in full.

## Help revive Ally Pally's theatre

**Alexandra Park and Palace Charitable Trust (APPCT) has launched a public fundraising campaign to support the restoration of its stunning Victorian Theatre, which hasn't been used in 80 years.**

The theatre, which opened in 1875, is set to open its doors again in 2018, as part of a project to restore the Eastern End of the palace. Some funds have already been secured, with £18.8million from the Heritage Lottery Fund and £6.8million from Haringey Council but the Trust must also fundraise £1million to bring the theatre back to life.

To donate and to get more information on the project visit: [support.alexandrapalace.com](http://support.alexandrapalace.com)

## 2016 Community Expo Event

**Celebrating the work of Haringey's voluntary and community groups**

The first annual Community Expo event will be held on Friday, 25 November 2016 from 11am to 4pm at Tottenham Town Hall. The day will provide a unique platform to showcase and celebrate the work of diverse Haringey's voluntary and community groups in dealing with the challenges we face at a time of increasingly scarce resources. Through exhibitions, panel discussions and a mix of awards, we want to highlight the innovation, flexibility and reach into communities that often small organisations and groups achieve.

The event is being organised by Haringey Council's strategic partner service delivered by the Bridge Renewal Trust and all Haringey residents, members of the voluntary and community sector and partners are warmly invited.

## Digital college opens its doors

**Ada, National College for Digital Skills welcomed its first students in September.**

Based in the heart of Tottenham Hale the college offers the latest digital skills training and qualifications – from software programming and data science to games design and app development. It is backed by a host of national and international firms and also has funding from the Mayor of London.

Mark Smith, CEO, said: "We look forward to working with Haringey Council, other colleges and schools in the borough to help realise young people's potential and raise their aspirations."

## Prize Draw extended

**Great news! We've extended the deadline to enter the My Account prize draw until midnight on November 13. There's still time to set up an account and opt-in to have a chance to bag a fabulous iPad Mini 4 16GB.**

My Account is the new online tool that allows you to access a range of council services on the go. You can manage your council tax bills, tell us you're moving, report dumped rubbish, or apply for housing benefit and council tax reduction. It's quicker and easier to do it online: [www.haringey.gov.uk/digital](http://www.haringey.gov.uk/digital)

## Flying the flag for parks

**Two more parks have achieved the prestigious Green Flag award in Haringey – bringing the borough's total to 25, the fourth highest in London.**

Woodside Park and Tottenham Green are the latest to scoop the national marker of quality – which are handed out by Keep Britain Tidy and recognise parks which are welcoming, safe and well managed with active community involvement.

25 Green flag parks in Haringey

Michael Cordwell-James, from Friends of Woodside Park, said:

Woodside is a popular and much loved park, and we are all delighted with this outcome!"

Matthew Creber from Friends of Tottenham Green, said:

We would like to thank all those who have given their time towards improving the park, and hope that this sets a high standard for the future.

You can explore your local park as part of Haringey Walks, a campaign to get more people walking which is backed by Friends of Parks groups. Find out more at: [www.haringey.gov.uk/haringeywalks](http://www.haringey.gov.uk/haringeywalks)

## Very Merry Muswell

A group in Muswell Hill are planning a Christmas bash to bring local people together. A Very Merry Muswell will take place in St James Square on December 3 – the same day as Small Business Saturday, a national campaign to get people shopping local.

The event will feature choirs and singers from different faiths, plenty of seasonal food and drink and Father Christmas in his grotto. There will also be a collection of food and presents for the Community Soup Kitchen.

## New partnership secures £3million project

Haringey Council is teaming up with developer Argent Related to regenerate Tottenham Hale in a £300million scheme – one of the biggest housing projects in London.

Argent Related will build 800 homes around the Tottenham Hale transport hub alongside new shops, cafes and restaurants and community facilities, including a health centre.

The redevelopment of the area will also include improved green spaces and better access to both the new Tottenham Hale transport interchange and the Lee Valley Regional Park.

**Thinking about organising a Halloween party or a private fireworks display? Or planning on spending this time of year wrapped up warm at home? Haringey Council and the Police offer advice on how to keep your house and yourself safe at a time of year which often sees a rise in crimes such as burglary and anti-social behaviour.**

As the dark evenings draw in, police advise homeowners to ensure windows and doors are locked to prevent burglary and mark their possessions so they can be traced if stolen.

Haringey council will join the police in anti-social behaviour patrols for Halloween and carry out inspections in the run up to Bonfire Night to ensure shops are storing and selling fireworks safely.

If you are planning a private fireworks display remember to warn neighbours, clean up afterwards and choose fireworks that aren't too noisy.

## In case you missed it

- Tough new powers to cut crime and in South Tottenham near the Wickes supermarket have been introduced after backing from local residents. The powers will ban drinking alcohol in the street and approaching people for casual labour.
- Six bidders have been shortlisted for the £450million High Road West scheme which will see more than 1,400 new homes built, new

businesses and green spaces around the new Spurs stadium.

- A new scheme that seeks to cut litter from the streets and raise money for local charities is up and running in Bruce Grove. The more litter that goes into bins marked with 'Bin it for Good' stickers the larger the sum that will be donated to local charities; Don't Forget The Kids, BUBIC and Friends of Tottenham Marshes.

- Two off licences (Seven Sisters Off Licence and Tottenham Express) have had their alcohol licences suspended for a month after they were caught trying to sell dodgy drink and cigarettes.
- A disused council staff car park will be transformed into a creative and artistic hub and cafe in the centre of Wood Green with new workshops and retail units for local businesses.

# Your Haringey Your Future

**Your council is changing with further cuts to our funding. What are your priorities?**

## **Introduction by Cllr Claire Kober Leader of Haringey Council**

### **What would you do if your salary was cut by 40% but your household bills increased?**

That is the situation we find ourselves in after the Government cut our funding in real terms by 40%. At the same time demand for services, such as providing care for vulnerable people, has been increasing.

I said before that I am not prepared to manage decline which is why, while changing the way the council works, our schools continue to show significant improvements, we have more award-winning parks than ever before, investment has gone into leisure centres and libraries and we are working hard to bring new jobs, homes and business growth to the borough.

The job is getting tougher though which is why we need your help. On top of the savings already delivered, we still need to find more in the coming years. This is because demand is rising for specialist services such as caring for vulnerable adults, children's social care and emergency housing for homeless people.

Before we come up with new ideas for savings we would like you to tell us what is important to you. If you were in my shoes what areas of council spend would you prioritise? And what is less important to you?

To help we have produced this 4-page booklet to give you more information on our priorities, our budget and how it's changing. I would be really grateful if you could spend a few minutes to complete a short questionnaire. The information will help us in future decision making.

To take part go to  
**[www.haringey.gov.uk/budget](http://www.haringey.gov.uk/budget)**

or pick up a questionnaire in your local library or come to one of our events – details of which are on page 4 of this booklet.

LONDON

# Our priorities

In 2015 we set out a 3-year-plan for improving Haringey. These are our priorities and what has been delivered.

Give every child the best start in life

Our schools are amongst the most improved in the country since 2010 - with record GCSE and A'level results this year.

Enable adults to live healthy, long and fulfilling lives

We're supporting vulnerable people to live as independently as possible in their own community.

Drive growth and investment which everyone can benefit from

We're bringing in £1bn of new investment to the borough, from the restoration of Alexandra Palace through to the opening of the National College of Digital Skills in Tottenham.

Create homes and communities where people choose to live

Across Tottenham and Wood Green we're planning for 16,000 new homes to be built. Since April 2015 £45 million has been spent improving our existing housing stock with £20 million spent on wider improvements such as replacing lifts.

Cleaner and safer neighbourhoods

We have more award winning parks and open spaces than any other comparable borough,

## How our budget has changed

Since **2010** The Government has cut the money that we receive by around **40%** in real terms.

We have 45% fewer staff with back office costs cut from £32.1 million to £18 million

We have a shared IT service with Islington and Camden

We own 12 fewer council buildings, while making better use of our remaining buildings - for example by bringing services together under one roof at Marcus Garvey library.

We've saved  
**£160m**

But we're **spending more money** on meeting rising demand for specialist services

### Since 2013

The number of adults receiving support for learning and mental health has risen by 17%

**17%**

Unless we change the way we do things our spend on Adult Social Care is set to go up by a third from £61million, in 2013 to £91million by 2018/19

The number of people who have been made homeless and require emergency housing has risen by 11%

We're having to spend £8million more per year

# What we spend your money on

In 2016/17 our budget is **£255.6m**. This is how we are spending it.

# How we are changing

As well as becoming smaller with fewer staff and buildings, we're changing the way we deliver many of our services

**We're focusing on prevention, by working with partners, including the NHS, to help people before any problems they are experiencing get worse.**

For example our Family Support service brings together schools, children's centres and community organisations to identify families who are experiencing problems at the earliest possible stage so that the right support can be provided

**We're making it easier for people to access services online whenever you need it**

We don't want people to wait on a telephone or in a long queue to reach us. You can do pretty much whatever you want online 24/7 on our website. Why not open a Haringey account today at  
**[www.haringey.gov.uk/myaccount](http://www.haringey.gov.uk/myaccount)**?

**We're bringing new investment to the borough**

Regenerating areas of the borough brings jobs, housing, new businesses, community facilities and other opportunities. Did you know that Tottenham is now home to the National College for Digital Skills?

# Haringey students on top of their game

Thousands of students in Haringey celebrated fantastic A-level and GCSE results in August.

I didn't think I'd get an A in Maths, I'm so relieved

Biftuu Aba-Godu (Left)

Our A-level students achieved an amazing 8 per cent increase in the number of A\* - B grades from 58 per cent in 2015 to 66 per cent in 2016. Haringey's A-level results rose 13 per cent above the national average and of every three A-level exams taken in Haringey, two resulted in a grade A\*, A or B.

One week later GCSE results rose 10 per cent in our borough despite a nationwide fall. Haringey schools bucked the national trend with the number of students gaining five or more GCSEs (A\*- C) including English and Maths rising to 64.6 per cent.

We shared the excitement with students from across Haringey as they received their A-level and GCSE results.

## A-Level results

**Antonia Toneva** was all smiles at Alexandra Park School after her dedication earned an A\* in English, A in Psychology and an A in History. This impressive achievement came from a student who didn't speak a word of English three years ago!

At Hornsey School for Girls **Biftuu Aba-Godu** (pictured left) was delighted with her A\*, three As and a B. "I didn't think I'd get an A in Maths, I'm so relieved" she said. Biftuu is now focused on her mechanical engineering degree to fulfill her dream of standing next to Lewis Hamilton and a F1 car she has designed.

"It was the biggest relief ever. I thought I wouldn't do as well, but it's a nice shock!", said **Elifcan Yazgun** from Hornsey School for Girls after finding out she had achieved three As and a B.

**Baxsan Muhyadin** (pictured right) was over the moon with her A and two Bs and gave credit to her school. "I'm very happy and got what I wanted. The hard work paid off and I want to thank the college for all of their support."

Mike Nkmu

Dorcas Botayi

**Cansoy Elmaz** also thanked his college for his straight As in Politics, History and Sociology. "I'm massively grateful to the teachers at Haringey 6th Form Centre for getting me to where I am today," he said. "I'm optimistic and excited for the future."

Over at St Thomas More school, **Mike Nkmu** (pictured above) is on his way to Nottingham University with his A and two Bs, while **Dorcas Botayi** (pictured above) is planning to study at Ravensbourne College after scooping an A\* in Arts.

At Haringey 6th Form college almost 60% of A-level subjects achieved 100 per cent pass rates. Russ Lawrence Principal, said, "We are thrilled with the outstanding success of our students A-Level results and we are pleased to see so many of our students achieving their expected places at Russell Group and a wide range of other Universities.

Baxsan Muhyadin

## GCSE results

**Ruby Neal** was overwhelmed after finding out she had achieved a clean sweep of ten A's at Highgate Wood school. She said, "I worked really hard and I'm so pleased to have got the grades."

Greig City student, **Silvinho Cameron** was celebrating after gaining four A\*s and three As and winning an Arkwright scholarship to study engineering. He said: "I'm happy and excited. I'm going to sixth form to do Maths and Physics. Getting the Arkwright scholarship means I will fulfil my goal of being an engineer."

Woodside High school student **Alice** was delighted after getting six A\* GCSEs. She said, "I'm so pleased, it is so much more than I expected."

Haringey @50 competition winner **Ayesha Chaieb** achieved an impressive six A\* at GCSE at Gladesmore community school.

Schools across Haringey were celebrating rising GCSE results.

Woodside High School students achieved a 30 per cent increase in combined A\*-C results this year to 74 per cent this year.

Hornsey School for Girls pupils achieved an impressive 500 A and A\* grades. There was a 15 per cent rise in the number of combined A\*-C results, including English & Maths, to 69 per cent.

On left: Arrwin Mugundharajah, on right: Idris Bouattoura

I'm very happy and got what I wanted. The hard work paid off and I want to thank the college for all of their support.

# October is Black History Month!

October 1st saw the launch event of Black History Month at Hornsey Library.

Stall holders selling jewellery, animation, beauty products and fashion set the theme of the Black Cultural Market. Parents and children could get their faces painted, watch a film and purchase crystals, books or creams.

Since Black History Month was launched in 1987, hundreds of events have taken place in Haringey that have educated, inspired and celebrated the achievements of black residents. In 2016 we have explored Haringey's black history holding events and talks about Haringey's very own black heroes, the challenges they faced and their achievements.

Haringey was home to the first self made black millionaires Len Dyke and Dudley Dryden who set up the successful hair and beauty company Dyke and Dryden and the first black footballer to play for England Under 21's, Laurie Cunningham to name a few.

Hopefully you've picked up a Black History Month brochure in one of our libraries, seen a full list of events online, and have been able to attend an event or two.

Sam Mensah, Managing Director, Uncle John's Bakery

## Baking up a storm

Did you know West Green Road is home to the number one Ghanaian Sweet Bread company in the UK, Uncle John's bakery? The reputation of this Haringey baker is growing by the day with a growing number of loyal customers across the UK and far beyond.

Arriving at the bakery I'm met by Sam Mensah, the Managing Director who explains how Uncle John's Bakery has built up an international reputation as London's number one West African baker. While we talk about Uncle John's a steady stream of customers greet Sam by name and exchange good wishes – a sure sign of the respect that Uncle John's is held in by the local community.

Uncle John's Bakery entrance

Uncle John's Bakery in store

### How did Uncle John's start off and why is it based in Haringey?

"My parents established Uncle John's over 20 years ago. When they first moved to the UK they were looking for Sweet Bread but what they found wasn't as authentic and tasty as what was made back in Ghana. So they started baking in Stoke Newington and then started looking for a small shop to work from and moved to West Green Road, Haringey and we've been here ever since."

### How did you get the deal to sell your products in Tescos?

"Tesco's saw a lot of people loved our products and they asked us to work with them. They found people really enjoyed what we made and come back for more. Now Uncle John's pastries and breads are sold all over the UK and Europe."

### What is the next step for Uncle John's bakery?

"It is to carry out our mission to bring Ghanaian baked goods to the mass market. We want everyone to enjoy Ghanaian baking! We want to continue our growth and expand into the major supermarkets, stores, hotels and restaurants."

### What so special about Haringey?

"This is a great place to be based we couldn't of thought of a better place to open our first shop. The Haringey community are so warm and friendly and have supported us over these last 20 years. There is so much diversity here and we draw our inspiration from the people, we also sponsor a local youth team within Haringey by supplying them with their football kits. We've had opportunity to leave but so much of our history is from this area and it would not be the same."

# Are your boots made for walking?

Alexandra Palace park

2016 is Haringey's 'Year of Walking' and we're encouraging residents to get out and discover the rich history and natural beauty of our borough.

**Walking is an easy way to exercise, get fresh air and socialise and it's also free!**

**So why not get out of the house and explore one of Haringey's 34 parks which are filled with beautiful and unusual sights.**

**There are hundreds of trails and footpaths in Haringey. We've picked out five to get you inspired to get your walking boots on and start exploring.**

1

### Parkland Walk

Parkland Walk is a beautiful green corridor in the heart of North London. It follows an old railway route that ran between Finsbury Park and Highgate. This two mile walk is a tranquil delight for those wanting to get away from city life and it offers a real cultural treat by mixing environmentalism and urbanism, with wildlife for nature lovers and a graffiti wall for wannabe artists.

 [parkland-walk.org.uk](http://parkland-walk.org.uk)

Parkland Walk

River Lea

Priory Park

**2**

### New River

Walk along New River for 4 miles through Haringey starting in Bowes Park and ending at the Seven Sisters Road near the Woodberry wetlands wildlife reserve. New River is neither new nor a river. It is a water supply aqueduct, completed in 1613, to bring drinking water from Hertfordshire to North London. A 28 mile path follows the course of the New River from Hertford to Angel Islington. The route is marked throughout its length and all signs display the New River Path logo.

**i** [londongardenstrust.org](http://londongardenstrust.org)

**3**

### Alexandra Palace to Seven Sisters Walk

Follow the three-mile route of an old railway which went from Palace Gates near Alexandra Palace to Seven Sisters. The railway opened in 1878 and did not close until 1963. The line went through Wood Green, Turnpike Lane West Green Road and then Seven Sisters. This walk takes you through some hidden parts of our borough with lots of green spaces to enjoy.

**i** [haringeyfriendsoparks.org.uk/](http://haringeyfriendsoparks.org.uk/)

**4**

### River Moselle Walk

Hidden among the underground pipework of Haringey, winding from the northern heights of Muswell Hill to the River Lea in the east, lies the Moselle River. This seven and a half mile walk follows the length of the river which is hidden in a culvert, and is commemorated in the names of streets and buildings along

the route. One of the highlights of the walk is the beautiful lake in Tottenham Cemetery. After passing through Noel Park Estate, the route reaches Lordship Recreation Ground where the river has been raised to the surface and landscaped.

**i** [haringeyfriendsoparks.org.uk/moselle\\_walk.php](http://haringeyfriendsoparks.org.uk/moselle_walk.php)

**5**

### Priory Park walk

Over 25,000 people visit Priory Park a year to enjoy the flowers and plants, the Philosopher's Garden, Funnym Café, fountain and paddling pool, tennis courts and playgrounds. The fountain in the east of the park dates back to the 19th century. It is made of 50 tonnes of Lamorna granite and is now a much loved local landmark. Priory Park is a great location for a walk and is close to Alexandra Palace park

Hornsey Town Hall

# Hornsey Town Hall

Hornsey Town Hall is one of the most iconic buildings in our borough and we are working with resident's group, the Hornsey Town Hall Creative Trust, to find a solution which will restore and bring the Grade II\* listed art deco building back into long term use.

Hornsey Town Hall needs investment to secure its future. The building is currently in a state of disrepair which costs Haringey £350,000 a year on basic running costs.

In November 2015 we invited bids from developers to restore Hornsey Town Hall and provide a long-term sustainable future for the building.

We set strict rules for bidders to ensure community access to Hornsey Town Hall, remove the building from the 'Buildings at Risk' register and keep the square publicly

accessible at all times. These strict rules will be written into legal agreements with the successful bidder.

Throughout 2016 Haringey council officers and representatives of the Hornsey Town Hall Creative Trust have held discussions with bidders over their proposals. In October Haringey's cabinet will decide whether a consortium led by Far East Consortium International Ltd (FEC) should be the preferred bidder to invest millions of pounds to restore the historic, art deco building.

# Jennifer Campbell-Kirk

Tottenham resident, Jennifer Campbell-Kirk, wrote in to Haringey People to share an amazing recipe for a Classic American Pecan Pie.

From a studio in Tottenham, Jennifer runs her own business Vintage and Floral making luxury, hand-made patchwork quilts and cushions. Jennifer's work has been featured on ITV and in numerous leading interior design and homes magazines.

Her late Texan mother-in-law, Phoebe Shaw, passed on the recipe and also taught Jennifer how to quilt when she was 81 years old. Jennifer says: "I am so grateful to my late mother-in-law for passing down to me not only the art of patchwork and quilting, but this fantastic recipe. This pie is delicious but is sweet so perhaps should only be enjoyed as an occasional treat."

Jennifer Campbell-Kirk's business: [www.vintageandfloral.com](http://www.vintageandfloral.com)

## Classic American Pecan Pie

### Ingredients

- 500g of Pecans
- 200ml of corn syrup
- 300g of brown sugar
- 3 eggs
- 2 tablespoons of butter
- 1 teaspoon of pure vanilla extract
- 9 inch Pie Crust

### Method

1. Melt the butter and mix in the sugar
2. Beat the eggs in a separate bowl and add to the butter and eggs mixing well
3. Add the corn syrup and vanilla extract and mix
4. Stir in the pecans
5. Pour the mixture into the pie crust and bake in a pre-heated oven gas mark 350F for 60-70 minutes
6. Pie is ready when you gently tap the middle of the pie and it springs back

**Would you like to share your favourite recipe with 90,000 households in Haringey?**

Please tell us what your favourite recipe is. We'll pick the best one for the October 2016 edition of Haringey People.

# Haringey councillors, council meetings and Members of Parliament

## Haringey has 57 elected councillors across 19 different wards.

Councillors are there to offer you advice, guidance and support on issues you may have and most hold regular 'surgery' sessions where you can meet them to discuss concerns in person.

Find out who your councillors are here:  
[www.haringey.gov.uk/find-my-ward](http://www.haringey.gov.uk/find-my-ward) or call: **020 8489 1000**

You can contact your local councillors by writing to them River Park House, 225 High Road, N22 8HQ or email them using the format: **firstname.lastname@haringey.gov.uk**
