Subject: Objection to planning Designatyiom

My wife and I wish to object to the designation of the land in Pinkham Way whuich the North London Waste Authority are considering for development from employment to industrial use.

The London Borough of Haringey do not appear to have given this change in designment full and fair consideration.

The site provides a natural habitat and national policy ha recognised that networks of natural habitats provide a valuable resource and this should be reflected in the core ststrategy and specitically in the designation of this site.
