

How to Make a Rocket Bookmark

You will need:

- ❖ Rocket template.
- ❖ Coloured card.
- ❖ Pencil and eraser.
- ❖ Scissors.
- ❖ Hole punch.
- ❖ Glue stick.
- ❖ Ribbon, yarn or string. 30cms.
- ❖ Optional: coloured pencils.
- ❖ Decorative sequins, stickers.

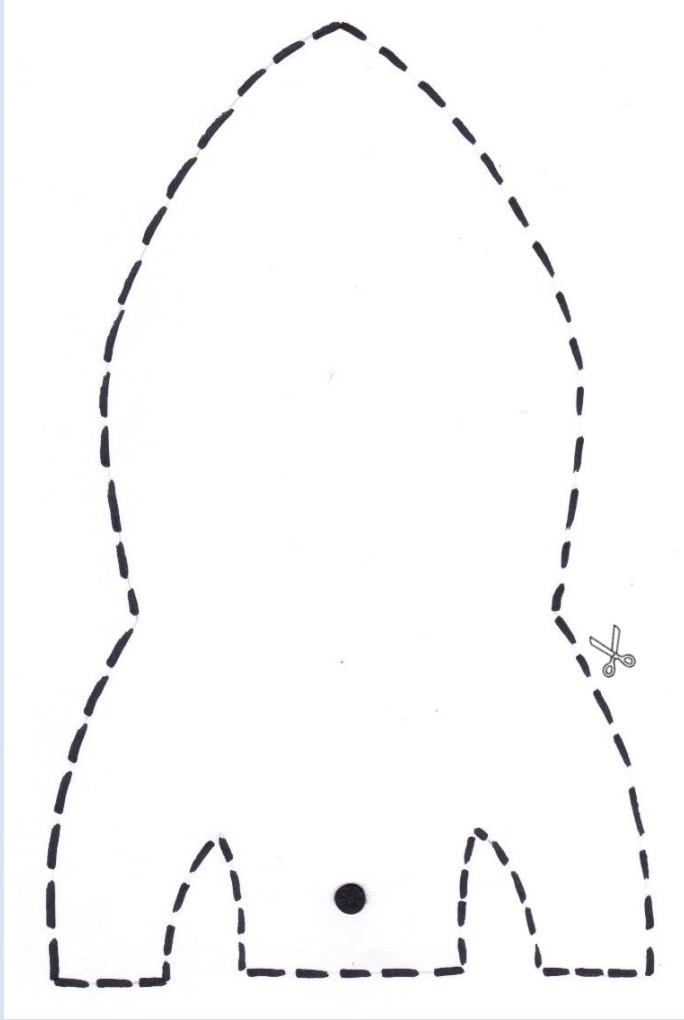

To make the bookmark:

1. Cut out the rocket template and other pieces.
2. Place the cut out templates on coloured card.
3. Draw the outline of the rocket on the coloured card.
4. Cut out the shapes.
5. Glue the rocket fins on to the rocket shape.
6. If you want to decorate both sides you can draw and cut out more rocket fins.
7. Pierce a hole on the card as indicated on the template.
8. Decorate the rocket.
9. Fold the ribbon in half. Insert the loop into the hole and gently pull 3cms from the back.
10. Pull the ribbon ends through the loop.
11. Gently pull the ends of the ribbon and tighten it; to create a lark's head (cow hitch) knot.
12. At the end of the ribbon, glue stick the front and back of the astronaut men together; with the ribbon in between.

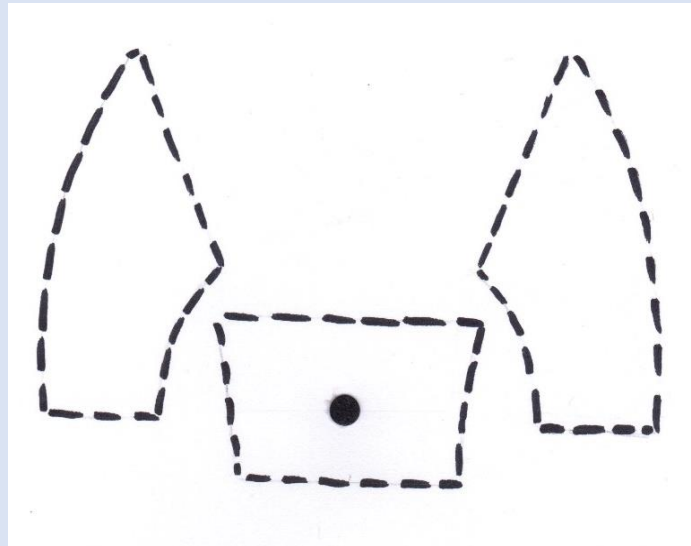

Caution: Adult supervision will be required when using scissors, hole punch, glue stick. Small parts, such as sequins, can be a choking hazard. Do not leave children unattended during project.
