

Quick Reference Guide for Refuse Collection Workers

Do not go to work if you have symptoms of COVID-19, which are a high temperature and/or a new, continuous cough.

Please remember to always...

Keep vehicle windows open for ventilation when there is more than one person in the vehicle

Keep a minimum distance of 2 metres where possible

Wash hands frequently (for at least 20 seconds) or use hand sanitizer with a minimum of 60% alcohol

Clean surfaces frequently including door handles, rails, hoists etc.

Avoid touching your face, nose and eyes

Face masks are not recommended for refuse collection staff.
