Dear Cllr Kober

As President of Middlesex County Amateur Swimming Association this year, I write to express my personal support for the Haringey Aquatics Swimming Club's proposal for a new Swimming and Leisure centre as part of the Wood Green Area Action Plan.

The County has 50 swimming clubs in its area to support and we are very keen to encourage any development which will help young people to take part in any swimming activity.

Haringey Aquatics take part in all the meets and galas arranged by the County and is to be congratulated for the enthusiasm shown by its swimmers and coaches.

I understand that there is a definite need for a new facility in the area and would hope that the Council will see the benefit of this for the whole community.

Yours sincerely

Florence Barnes
President
