

### LIMITING GROUP NUMBERS

Venues must ensure customers are not meeting socially in large groups (this currently stands at six) and must not (currently) take bookings for groups of more than six. (Please be aware this number may change).

### SOCIAL DISTANCING

Customers should be kept at least two metres away from each other or one metre-plus if Covid-secure measures are in place. These include increasing the frequency of hand washing and surface cleaning; keeping non-socially distanced activity time as short as possible; using screens or barriers to separate workers both from each other and customers; using back to back rather than face to face seating layouts; and reducing the number of people each person has contact by using fixed staffing teams.

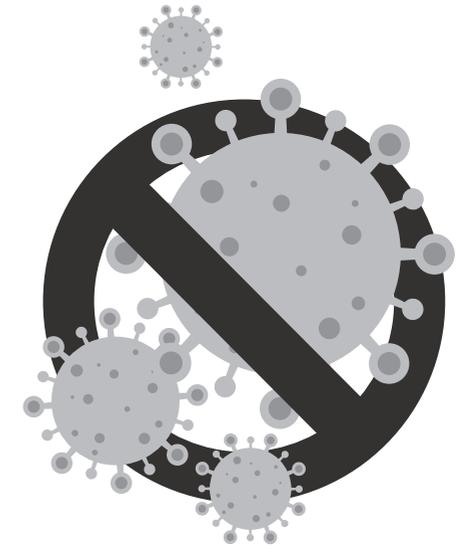

### MUSIC

Any background music should not be louder than 85db(A) when measured at source so that customers do not need to shout or sit closer than necessary to hear each other.

Breaches of these rules can carry a penalty of up to £1,000; repetition carries an increasing penalty, in some cases up to a maximum of £10,000.

# A GUIDE FOR HARINGEY BUSINESSES ON THE NEW COVID-19 LAWS

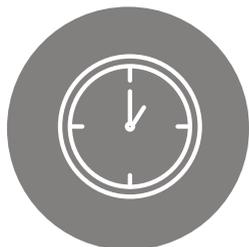

The Government has created new rules for businesses to help stop the rise in Coronavirus cases. If we cannot cut the numbers, then we risk the Government ordering another lockdown. That will be bad news for all businesses, including yours. Haringey Council's enforcement team are on hand to offer advice and guidance but will also take action against any business that fail to comply. If you need any help understanding the rules or to report a business that is not following the regulations you can let us know by emailing [covid19concerns@haringey.gov.uk](mailto:covid19concerns@haringey.gov.uk).

## What your business must do to be Covid-safe

### RISK ASSESSMENT

Every premises must have a Covid secure risk assessment. You must take reasonable steps to protect your workers, customers and suppliers, from coronavirus.

### 10PM CURFEW

Many leisure businesses including all cafes, bars, pubs, restaurants and social clubs, as well as bowling alleys, amusement arcades and bingo halls must be closed and empty between 10pm and 5am.

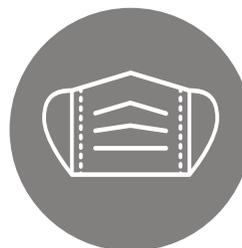

### RESTRICTIONS TO TAKEAWAY SERVICE

Takeaways can offer a delivery service after 10pm, or if a customer is able to collect without leaving their vehicle. Restaurants/takeaways cannot accept any walk-in orders or collections. The premises must be empty and closed to customers by 10pm.

### TABLE SERVICE

Licensed premises must serve food and drink at the table. In all other premises customers eating in must consume their food or drink seated. Payments should be made by card at the table, where possible.

### FACE COVERINGS (STAFF)

All hospitality sector staff must wear a face covering when front of house.  
Face coverings (customers): It is your responsibility to ensure that customers wear a face covering when in pubs, bars, restaurants, cafes, except when seated at a table to eat and drink. Unless an exemption applies.

### TEST AND TRACE (CUSTOMERS)

Businesses need to display the official NHS QR code posters to allow customers to 'check-in'. Name and contact details along with the date and time of entry must also be kept for those customers that do not or cannot use the QR code.  
Test and Trace (staff): A record of staffing rotas must also be kept for 21 days.

### ISOLATION

Businesses can be fined if a staff member who has been told to self-isolate by NHS Test and Trace is required to come into work by the management. Staff can also be fined £50 if they do not tell their employer when they have started and are due to finish self-isolating
