Dear Local Plan team

**Ref: North London Waste Authority response to the LB Haringey Local Plan  
Consultation on Main Modifications to the Strategic Policies**

Thank you for providing the North London Waste Authority (NLWA) with the opportunity to comment upon the Main Modifications to the Strategic Policies document.

The North London Waste Authority notes the AltsMod 23 - Alt110 – Section 5.1 Policy SP8:

*Amend Policy SP8 as follows:*

- ~~Friern Barnet Sewage Works Pinkham Way~~
- ~~Tottenham Hale (Part SIL/RA), N17~~

made to bring the text into alignment with the findings of the Employment Land Review 2015 and for consistency to bring the site name into consistency with the Site Allocations DPD.

As this Main Modification is proposed in response to the North London Waste Authority's previous comment we welcome this proposed modification.

If you have any questions, please do not hesitate to contact me.

Yours sincerely

  
Andrew Labbage  
Head of Operations
