	<p>Works to trees protected by a TPO: T1. Broad Leaved Lime (<i>Tilia platyphyllos</i>) Front garden. North Tree Large mature dominant front garden tree previously reduced now encroaching on property and causing excessive shading. To improve light and maintain cyclical pruning schedule: Reduce canopy heights back to previous points of reduction (2m in height and 2m in lateral spread). Retain furnishing growth for crown continuity. Remove basal sucker growth. Remove deadwood weak and suppressed branches. T2. Broad Leaved Lime (<i>Tilia platyphyllos</i>) Front garden. South Tree Mature tree, previously reduced, (poor past pruning history). Canopy height exceeds a reasonable level in relation to stem girth. Pockets of decay identified on east stem at 4m and on main stem at 0.75m on south of stem. Reduce to a height of approximately 4m to contain height and mitigate branch / limb failure (pollard). <p>Our Lady of Muswell Catholic Church and Hall Colney Hatch Lane N10 1PN</p> <p>Works to tree protected by an Area TPO: Tree (see from attached pictures) - Fell and grub out the roots. Reasons for work- The tree was not planted, but self-seeded, and is close to the shrine. It is therefore not only causing a nuisance to the adjoining owner's wall, which is seriously in danger of falling over, but also creating a lot of debris, which has to be regularly cleaned from the gutters. We are also concerned that this, in time, will undermine the foundations of the church due to its close proximity and mature growth.</p>

<p>Non-material amendment following a grant of planning permission HGY/2018/1563. Whilst preparing for the installation of the permitted modular toilet unit (to be implemented over the school summer holiday), the results of a buried services survey confirmed the permitted toilet unit location sat directly over a substantial combined sewer routed around the Eastern and Northern perimeter of the school playground, so to avoid any future conflict (in the event that the sewer needs to be exposed for any repairs or replacement works); it is prudent to relocate the unit closer to school buildings and the Mini Pitch but still remaining within the school playground.</p>
