

<b>Outcome 4</b>
<b>Green</b>
<b>Amber</b>

Percentage of children achieving good level of development at EYFS

Target: To be best amongst statistical neighbours by 2022 (78% 2019)

No assessments were carried out in 2020. In the most recent available data Haringey performed better than the national average and the average for our statistical neighbours, although still below the top score in our statistical neighbour group. This target will retain its green amber status against target.
