**Green**

## GCSE results - progress 8

Target: To be in London top quartile by 2022 including narrowing the gap between the highest achieving schools and the rest.

In April 2020 the government announced that all exams due to take place in schools and colleges in England are cancelled. They will not publish any school or college level performance data based on tests, assessments or exams for 2021, thus this indicator maintains its amber green status.
