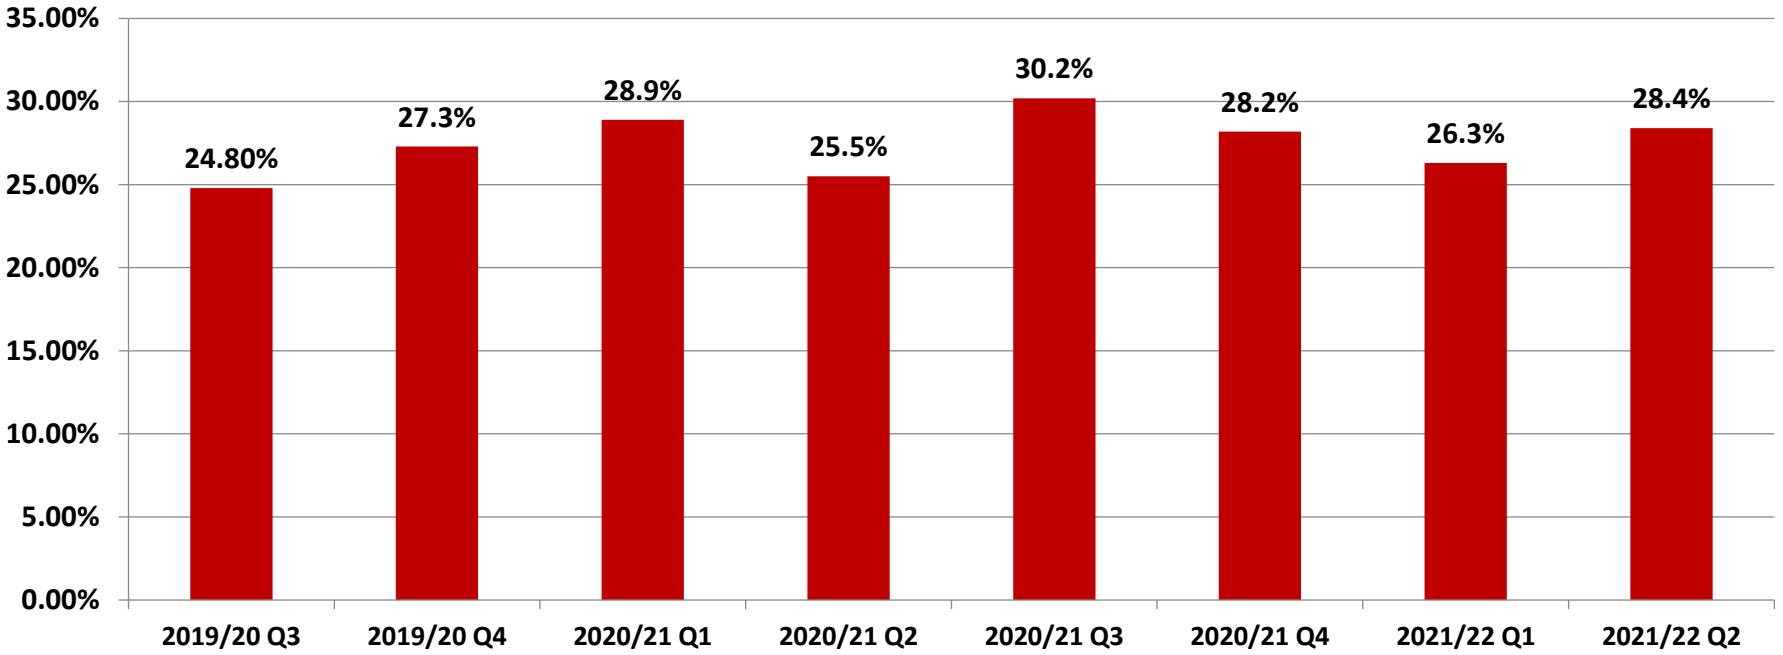
Outcome 21

Green

Percentage of top 5% earners who are from black and minority ethnic groups

Target: increase from baseline 17.2%



Quarter 2 Performance: **28.4%**

The June 2021 Haringey employment profile shows that 26.3% of senior managers are from a BAME background. This represents a 1.9% decrease from the previous report in March 2021; despite this change this indicator remains in green, according to the original borough plan target of 17.2%.
