

Have Your Say...

Where do you think a new Petanque Court should be placed in Priory Park?

The council has received a request from a group of Petanque enthusiasts and supports this development as it fits our aims of providing social activities in parks to reduce isolation and loneliness. The installation of a Petanque Court would also promote community empowerment, as well as providing health benefits for people over 50: protecting our older population from age-related health factors such as cognitive decline and dementia.

We're now seeking your views on where the petanque court should go.

Two areas have been identified as the most suitable:

OPTION 1:

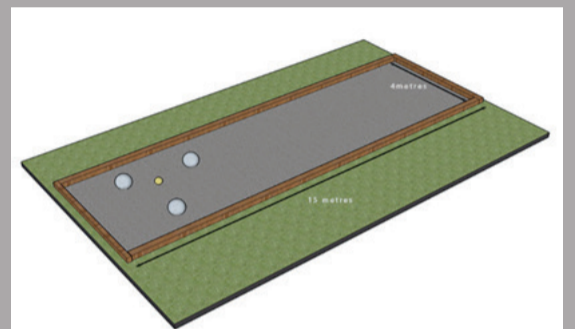

opposite the Priory Park Café – on the right-hand side

OPTION 2:

next to the table tennis area/courts

WHAT IS PETANQUE?

Petanque is a sport that is played on a 16x9m court like in the image. It falls into the category of boules sports, along with Raffa, Bocce/Boccia, Boule Lyonnaise, Lawn Bowls and Crown Green Bowling. In all these sports, players or teams play their balls/'boules'/bowls towards a target ball.
