Force Majeure: Parking permit validity will not be affected by a Force Majeure Event - that which is beyond the reasonable control of the Council including but not limited to strikes, lock-outs or other industrial disputes (whether involving the workforce of the Owner or any other party), failure of a utility service or transport network, act of god, war, riot, civil commotion, malicious damage, compliance with any law or any governmental order, rule, regulation or direction, accident, breakdown of plant or machinery, fire, flood, pandemic, storm or default of suppliers or subcontractors.

Permit holders must ensure their account and contact details are up to date, that all the information provided is correct, and must renew any permit(s) on time.
Permits are not transferable between permit holders and the Council reserves the right to take the strongest possible action against anyone found to be buying on behalf of, selling to, or offering permits (including visitor parking permits) for sale to any third party. This action includes the permanent suspension of, or deletion of, a permit or permit account.
The Council reserve the right to amend the terms and conditions at any time.
The Council will carry out random checks and you may be required to submit further supporting information about your entitlement to a permit at any time
The Council will issue a virtual permit where and whenever possible.
Virtual and paper permits purchased from the Council remain the property of the Council at all times.
When applying for, renewing or maintaining your permit account, you confirm that you understand and accept the Council's current terms and conditions
Where a permit has been cancelled for a breach of the terms and conditions, the Council will take reasonable steps to notify the customer prior to the cancellation of the permit - but where these steps have been exhausted the customer may not receive prior notification of cancellation of the permit
<b>Parking places / bays</b>
A permit does not guarantee a parking space.
Parking places may be suspended by any person duly authorised by the Council or the police.
The permit entitles the permit holder to park in residents or shared use bays only in the designated street

The permit holder must not park in a parking place where signs indicate it is suspended. The Council will endeavour to provide advance warning of a suspension. However, if an emergency arises, the suspension may be put in place without notification. Therefore, it is important that the permit holder checks their vehicle daily.

The vehicle must be parked within the bay markings.

**Permit tariffs**

Permits are priced in accordance with the Council's prevailing fees and charges.

**Postal submissions**

Where submitting documents by post to support a permit application, you must include the permit reference number provided

**Refunds**

The Council may not grant a refund where we conclude that the permit application has been made fraudulently

**Vehicle**

The Council will carry out automated checks to verify vehicle data, including engine size, type, emissions data and vehicle dimensions.

The vehicle must not exceed 2.27 metres in height and 5.25 metres in length.

You are responsible for ensuring that the vehicle registration mark(s) assigned to the permit is correct at all times

**Penalty Charge Notices (PCNs)**

The Council may carry out automated checks to verify if a permit applicant has any outstanding PCNs where either the statutory appeal process has ended or a challenge has not been made; where this is the case, the permit applicant may be alerted and prompted to settle outstanding charges or challenge if applicable.
