Dear Sir/Madam

Haringey Core Strategy Examination in Public

As you may be aware, the Haringey Core Strategy was submitted to the Secretary of State for Communities and Local Government for examination into its soundness. The appointed Planning Inspector is Andrew Seaman BA (Hons) MA, MRTPI and I would like to introduce myself as the Programme Officer responsible for assisting the Inspector with all aspects of the examination administration.

Following the Examination hearings held in June/July 2011 the Council undertook a revised borough wide consultation upon the Core Strategy Fundamental Changes (core document CSSD-03) and the Sustainability Appraisal. My records show that you or your organisation has submitted a representation in relation to one or both of these documents.

The Inspector has scheduled a further hearing session which will focus upon these matters. This will be held on Wednesday 22 February and I attach an indicative hearing agenda which may be of interest; this is subject to potential change. Please read the accompanying notes which I trust will be helpful.

If you have submitted a duly made representation on these matters which seeks a change to the Core Strategy and includes a request to appear, it would be helpful if you could confirm within the next two weeks whether you intend to rely on your original submission to the revised consultation, whether you intend to submit further additional information in accordance with the Inspector's Guidance Notes and, finally, whether you do wish to speak at the hearing session on Wednesday 22 February. Please note that those Representors supporting the Core Strategy cannot speak at the Examination unless invited to do so by the Inspector.

I look forward to hearing from you in due course and as necessary. Please do not hesitate to contact me with any queries.

Yours sincerely,

Litha Efthymiou
Programme Officer
