

Points of Interest

The well-known Funyum Café in the centre of the park has public toilets that are available for park visitors to use. The park Pavilion is available to hire through Haringey Council's Parks Service for children's parties or community events. It is also home to the Haringey branch of the conservation charity BTCV who carry out practical tasks to improve the environment.

The outstanding fountain located to the east of the park dates back to the late 19th century when it was originally erected in a local churchyard. The Dean and Chapter to Hornsey donated the fountain to the park in 1909 where it has stood ever since. The 50 tonnes of Lamorna granite is now used as a large planter and landmark by park goers.

Green Flag Winner

Priory Park won the Green Flag Award in both 2003 and 2004. This is given by the Civic Trust in association with CABI Space, in recognition of achieving and maintaining excellent standards for a public park.

Getting Involved

Community involvement is a very important aspect of achieving and maintaining high standards within Haringey's parks and we welcome your input and involvement. To find out how you can get more involved with your local park or 'Friends' group, or how to take part in the volunteer workdays with conservation charity BTCV, contact us on The Parks Customer Care Line: **020 8489 5662**

Email: parkscustomer@haringey.gov.uk
Website: www.haringey.gov.uk

Parks Constabulary

To report incidences of crime or anti-social behaviour in a Haringey park please call the 24 hour incident line: **020 8211 1923**.

Your Park...
Priory Park

Introducing: Priory Park

Located to the west of the borough, near Alexandra Palace, the 6.5 hectare site of Priory Park has been a favourite with local people for well over 100 years.

More than 100,000 people visit each year, to enjoy functions in the Pavilion or picnics in the Philosopher's Garden, a dog-free area. The eastern section of the park preserves much of its late 19th century landscaping with serpentine walks and perimeter shrub beds.
