Desk Assessment Feedback (Management Plan and supporting documentation)

Criteria	Strengths	Recommendations
Presentation	Good photos showing what's happening. Nicely written easy to read and very informative	
Health, Safety & Security	Well covered	
Maintenance of equipment, buildings & landscape	Really good description at the front about what is done on the site with ponds etc	
Litter, cleanliness, vandalism	Appears well covered	
Environmental Management		

	Noticed the use of recycled products, very good There is mention of the strimming issue and reducing staffs exposure to it. Have provided bike racks	
Biodiversity, Landscape and Heritage	Taking climate change into account with new planting. Good ecological consultation.	Mention more about the ecology plan in this plan
Community Involvement	Nice to see that the friends have aims and the governance section. Excellent to see how the wood is used by all ages of the community	
Marketing & Communication	Appears to have a really good approach, including a lot of word of mouth. Good interpretation boards	
Overall management	Nice to see a longer action plan	

Additional comments

. There is something about this plan which is appealing. It looks a very well run, managed, site which is using its elements to achieve a far higher outcome than the sum. Well done.
