# More information about the Saturday Music Centre

## What do we offer?

We offer a place for Haringey children to learn an instrument. There is a great spirit, with tutors and children working together in an atmosphere of discovery and excitement. They can learn to sing and to play an instrument with regular public performances to put all their hard work into practice.

- **Group Instrumental Lessons**
- **African Caribbean Drummers**
- **Choir**
- **Rock & Pop Band**
- **Melody Shakers** (our introduction to music class for very young beginners, school years 1-3).

## Who are we?

The Saturday Music Centre is run by Haringey Music Service. All tutors are experienced teachers already working in primary and secondary schools throughout the borough. As such, they have a unique insight into assessing the needs of local children as well as providing a creative and inclusive environment. All our teachers are DBS checked.

## Our Commitment...

To provide an exciting and varied programme of music tuition, developing individual talent, self respect and positive attitudes to learning and to each other.

## Who can apply and how?

Your child needs to be either resident in Haringey or attending a Haringey school. We have a waiting list and applicants will be contacted when a place becomes available. Places are allocated on a first-come-first-served basis and there is no selection policy.

All applicants need to be in school years 4-11 (age 8-16) apart from *Melody Shakers* who need to be school years 1-3 (age 5-7).

## When and where?

9.00am -12.30pm Saturday mornings.

Normally for 10 weeks of every school term.

We are based at Gladesmore Community School, Crowland Road, Tottenham, London N15 6EB (Access is now from the Front Gate from the Crowland Road entrance.)

## Instruments

Apart from drummers, all students need to have access to their chosen instruments for practice at home. In many cases you will be able to hire an instrument from us. If this is not possible you will need to provide your own.

If you hire an instrument from us you must make arrangements to collect it from the Music Service, insure it and return it to us at the end of the hire period.
