

Secondary Transfer 2013 – How offers were made

The schools in this table received more applications than places available and this means places could not be offered to every applicant who applied. The table gives information about the offers as at 1 March 2013 under the oversubscription criteria. These figures will change if places are declined and then offered to other pupils from the waiting list.

School	Number of applications received	Number of places offered	Children with SEN statements	Looked-after children	Exceptional social or medical need	Siblings	Distance	Distance of last child offered (Stright-line distance, miles)
