## Public and Statutory consultation

### Proposed improvements to Cycle Superhighway route 1 – St Ann's Road

Dear Resident or Business,

We are proposing to carry out further improvements to the Cycle Superhighways Route 1 (CS1) along **St Ann's Road** that will also assist the north-south connection.

These works are designed to generally improve conditions for cyclists travelling along St Ann's Road, but particularly the north/south cycle movements at Frinton Road and Ermine Road.

**Encouraging more people to cycle is a vital part of Haringey Council's plan to tackle congestion, improve air quality, promote physical activity and improve accessibility.**

Our commitment includes promoting cycling as a serious transport alternative; and with the continuing growth in numbers of people who cycle, we recognise the need for safe cycling infrastructure.

The main elements of the proposals are listed below and detailed on the plan as provided.

#### Location 'A' St Ann's Road junction with Frinton Road:

- Removal of the existing zebra crossing east of Frinton Road.
- Introduction of a new parallel zebra crossing west of Frinton Road. A parallel crossing is a combined pedestrian and cycle crossing.
- Creation of a shared space for pedestrians and cyclists at the junction of Frinton Road and **St Ann's Road**.
- Bus stop relocation (westbound) outside no. 57/59 **to outside no. 65 St Ann's Road**
- Removal of existing parking outside no. 59 to no. **67 St Ann's Road**

#### Location 'B' St Ann's Road junction with Ermine Road:

- Removal of the existing zebra crossing west of Ermine Road.
- Introduction of a new parallel zebra crossing east of Frinton Road.
- Creation of a shared space for pedestrians and cyclists at the junction of Ermine Road and **St Ann's Road**.
- Bus stop relocation (eastbound) **to outside no. 5 St Ann's Road**

This letter marks the start of a five-week public consultation during which we welcome your views on the proposals. Please provide these using the enclosed Freepost feedback card or email your views to us at [frontline.consultation@haringey.gov.uk](mailto:frontline.consultation@haringey.gov.uk).

At the same time, the statutory consultation on the proposed changes (legal process whereby the proposals are advertised in the local newspapers) will begin on **14 July** and provide a 35-day period for anyone wishing to object the proposals. You can do this by emailing [traffic.orders@haringey.gov.uk](mailto:traffic.orders@haringey.gov.uk) providing reasons for your objection.

Please ensure that your response including any objections to the proposals reach us as soon as possible and no later than **18 August 2021**.

If you have any specific questions on the scheme, please contact [frontline.consultation@haringey.gov.uk](mailto:frontline.consultation@haringey.gov.uk)

Thank you for your interest and we look forward to hearing from you.

Yours faithfully,

A handwritten signature in black ink, appearing to be 'L. M.', is positioned above the typed name.
