STATUTORY CONSULTATION

Proposed Car Club Scheme

Dear Resident or Business,

The Car Club scheme in Haringey is attracting considerable use and has shown to reduce private car ownership and free up parking space. As part of the council's ongoing policy to promote a modal shift away from private motor vehicle use, we are proposing to increase the number of car club bays in the borough with the introduction of an additional 52 car club vehicles at 46 locations across Haringey which will be operated by City Car Club, Ubeeqo and E-Car Club.

We are writing to you because car club vehicles will be located in or near your road. This will require the installation of car club parking bays for specific use by these vehicles. The attached plan shows the proposed locations of the car club parking bays across the borough and the specific locations are detailed on the back of this letter.

Plans detailing the designs/locations for your road can also be viewed on Haringey Council's website at [http://www.haringey.gov.uk/parking-roads-and-travel/parking/parking-consultations/current-parking-consultations/Car Club Bays Proposals](http://www.haringey.gov.uk/parking-roads-and-travel/parking/parking-consultations/current-parking-consultations/Car%20Club%20Bays%20Proposals).

In order to introduce the car club bays and legally enforce their use, we are required to enter into a period of consultation known as Statutory Consultation. This is the legal part of the process and takes the form of a public notice advertised in the local press, London Gazette and displayed in visible locations on street, to inform of the Council's intentions.

The legal notice sets out the Council's intention and will be advertised on **10 March 2017** and provides a 21 day consultation period for interested parties to make representation regarding our proposals. The closing date for comments is **30 March 2017**.

If you would like to make comments/ representation to the proposals, please make them in writing to: frontline.consultation@haringey.gov.uk. If you have any questions regarding the scheme please contact the Project Engineer Beth Girma on **020 8489 1763**.

Comments must be received no later than 30 March 2017.

Thank you for your interest,

Yours faithfully,

A handwritten signature in black ink that reads 'Ann Cunningham'.
