Subject: Pinkham Way

Dear LDF team,

I strongly object to the change of use the Pinkham Way site. The reasons are:

- The suitability of using the site for industrial use when it has been previously listed as green space that should be protected.
- The environmental impact of using the site for industrial use, particularly when the site is very close to a built up residential area and local schools.
- The limited consultation that has been carried out and Haringey Council's failure to adequately consult local people and inform them of the re-consultation.
- The loss of land for employment use and the impact this will have on creating new jobs.

Kind regards

Henriette Stuchtey
