The Haringey (Waiting and Loading Restriction) (Amendment No. 7)
Experimental Order 2021**

T14

Statement of Reasons

The experimental Orders designate walk and cycle zones at drop-off and pick-up times in proximity to schools. They also introduce small changes to waiting and loading restrictions to introduce at any time restrictions on junctions.

The Orders are intended to provide a safer environment for children travelling to and from the school. They are also intended to encourage more physically active journeys and help improve air quality surrounding the school.

The Orders are being introduced as an experimental scheme so that the public's responses to it may be assessed over a trial period, after which the Council will consider whether to make the Orders permanent.
