

- These drawings have been produced with reference to the CDM Regulations 2015. Please note that these are pre-construction phase drawings and should be subject to further design risk management as required in accordance with Regulation 9.
- Notes**
1. All measurements in metres unless otherwise stated.
  2. Fold down bollards with padlock to enable emergency vehicle access and match day access if required. Specification - CIS Type 194/153 Folding Coffin Box Bollard
  3. Remove no entry signage and replace with no motor vehicle signs.
  4. Disconnect and remove signposts with lights as these provide perch's for pigeons which create sign hygiene and cleansing issues. New signage to be placed on posts (non-lit) and pigeon deterrent gel applied to units.
  5. Layout based on OS base mapping.
  6. This drawing is for technical approvals and are not to be used for construction purposes and it is the responsibility of the client and contractor to identify risks associated with the construction stage and to design appropriate measures to mitigate.
  7. Gaps between bollards to be an absolute minimum of 1.5m.

**Key**

	Proposed Asphalt Footway Resurfacing
	Proposed Keybloc Grey
	Proposed Buff Surface Dressing
	Proposed Planter
	Remove road surface
	Proposed Carriageway Resurfacing
