  - (d) permit holders' vehicles, provided that where a permit identifier is identified on or in relation to that permit, said permit identifier is the same as that indicated by way of a permit identifier on a relevant traffic sign relating to that restriction or prohibition; or

- (e) vehicles requiring access to premises located within the length of road subject to said restriction or prohibition or to off-street premises only accessible therefrom, or vehicles or goods vehicles requiring access for the purpose of loading and unloading at premises located within the length of road subject to said restriction or prohibition or at off-street premises only accessible therefrom; or

or a combination thereof, said restriction or prohibition shall not apply to the vehicles so specified.

- (4) Where exception to a play street no vehicles prohibition referred to in Article 9(2) is indicated by way of the traffic sign indicating said prohibition or a traffic sign placed in association with that traffic sign, is provided in respect of a specified vehicles, being vehicles requiring access to premises located within the length of road subject to said prohibition or to off-street premises only accessible therefrom and is proceeding at a speed of no more than 5 miles per hour and accompanied by an adult in high visibility, said prohibition shall not apply to the vehicles so specified.
- (5) Where exception to a 'weak bridge' or 'weak road' weight restriction referred to in Article 14(2) is indicated by way of the map-based schedule, or map schedule legend, or both, and by the traffic sign indicating said restriction, is provided in respect of empty vehicles said restriction shall not apply to an empty vehicle, provided that the unladen weight of that vehicle does not exceed the maximum gross weight indicated.
- (6) The prohibitions and restrictions specified in Articles 4, 5, 6, 7, 8, 9, 10, 11, 12, 13, 14 and 15 do not apply:-
  - (a) in respect of any vehicle being used for ambulance, fire brigade or police purposes; or
  - (b) in respect of any person who causes any vehicle to proceed in accordance with any restriction or requirement indicated by traffic signs placed on the highway pursuant to section 66 or section 67 of the Road Traffic Regulation Act 1984; or
  - (c) in respect of anything done with the permission or at the direction of a police constable in uniform or a civil enforcement officer.

Provided that the physical layout or design of the road, or of any structure or other feature or item of street furniture located in relation to that road, allows for such usage or passage of vehicles or such action without danger to other road users, or to the fabric of the road or such surrounding structures or features.

- (7) The prohibitions and restrictions specified in Articles 8, 9, 10, 11, 12, 13, 14 and 15 do not apply in respect of a vehicle entering into or proceeding in a length of road subject to said prohibitions or restrictions if the vehicle is being used:-
  - (a) for the purpose of collecting refuse; or
  - (b) in connection with the removal of any obstruction to traffic; or
  - (c) in connection with the maintenance, improvement or reconstruction of any road; or

- (d) in connection with the maintenance, improvement or construction of any street furniture including bus stop infrastructure; or
- (e) in connection with any building operation or demolition; or
- (f) in connection with the laying, erection, alteration or repair in or near the bus lane of any sewer or of any main, pipe or apparatus for the supply of gas, water or electricity, or of any electronic communications network, providing the vehicle cannot be used for that purpose without entering into or proceeding in a length of road subject to a prohibition or restriction and in so far as that activity is not prohibited by the provisions of any other Order.

Provided that the physical layout or design of the road, or of any structure or other feature or item of street furniture located in relation to that road, allows for such usage or passage of vehicles or such action without danger to other road users, or to the fabric of the road or such surrounding structures or features.

### PART III – CYCLE LANES AND ROUTES FOR PEDAL CYCLES ONLY

#### Cycle lanes

17. Except as provided in Article 19(1) and (2), no person shall cause a vehicle other than a pedal cycle to be in a cycle lane in a length of road indicated by way of the map-based schedule as a being a cycle lane during the hours of operation of that cycle lane.

#### Routes for pedal cycles only

18. Except as provided in Article 19(2), no person shall cause a vehicle other than a pedal cycle to be in a length of the carriageway of a road indicated by way of the map-based schedule as a being either a route for pedal cycles only or a route for pedal cycles and pedestrians only, at any time.

#### Exceptions to and exemptions from restrictions in Part III

19. (1) The restrictions specified in Article 17 do not apply in respect of any vehicle being in a cycle lane, insofar as the design of any segregating measures in place in relation to that cycle lane physically allows such activity, for as long as is necessary:-
- (a) to enable access to or exit from any road adjoining that cycle lane, or to enable access to or exit from any premises adjoining that cycle lane by way of a vehicular access or footway crossover, provided that, in both cases, the vehicle leaves the cycle lane immediately thereafter; or
  - (b) to enable a person to board or alight from the vehicle; or
  - (c) to enable goods to be loaded on to or unloaded from the vehicle, if and in so far as the activity is not prohibited by the provisions of any other Order; or
  - (d) for the purpose of collecting refuse; or
  - (e) for the purposes of the provision of a universal postal service, provided the vehicle bears the livery of a universal postal service provider.
- (2) The restrictions specified in Articles 17 and 18 do not apply in respect of any vehicle being in a cycle lane or route for pedal cycles only:-
- (a) if the vehicle is being used:-
    - (i) for ambulance, fire brigade or police purposes; or
    - (ii) in connection with the laying, erection, alteration, or repair in or adjacent to a cycle lane of any sewer, main, pipe or apparatus for the supply of gas, water, electricity, or of any electronic communications network; or the placing, maintenance or removal of any traffic sign, if the vehicle cannot be used for that purpose in any other part of that road; or
  - (b) in respect of any person who causes any vehicle to proceed in accordance with any restriction or requirement indicated by traffic signs placed on the highway pursuant to section 66 or section 67 of the Road Traffic Regulation Act 1984; or

- (c) in respect of anything done with the permission or at the direction of a police constable in uniform or a civil enforcement officer.

## PART IV – BUS LANES AND BUS-ONLY ROUTES

### Bus lanes

20. Except as provided in Article 22(1) and (2), no person shall cause a vehicle to be in a bus lane in a length of road indicated by way of the map-based schedule as a being a bus lane during the hours of operation of that bus lane unless that vehicle is proceeding in the direction or directions specified by way of the map-based schedule or map schedule legend, or both, and is of a vehicle type specified in relation to that bus lane by way of the map schedule legend.

### Bus-only routes

21. Except as provided in Article 22(2), no person shall cause a vehicle to be in a bus-only route in an area of road indicated by way of the map-based schedule as a being a bus-only route during the hours of operation of that bus-only route unless that vehicle is proceeding in the direction or directions specified by way of the map-based schedule or map schedule legend, or both, and is of a vehicle type specified in relation to that bus lane by way of the map schedule legend.

### Exceptions to and exemptions from restrictions in Part IV

22. (1) The restrictions specified in Article 20 do not apply:-
- (a) so as to prevent a vehicle being in a bus lane if and for as long as necessary:-
    - (i) to enable a person to get on or off the vehicle; or
    - (ii) to enable goods to be loaded on to or unloaded from the vehicle; if and in so far as the activity is not prohibited by the provisions of any other Order; or
  - (b) in respect of a vehicle which is being used for a purpose which is either within an exemption to a restriction or prohibition imposed by Part II of this Order or by any other Order, or which is permitted under the provisions of Part II of this Order or by any other Order; or
  - (c) in respect of a vehicle crossing a bus lane to get to or from any road adjacent to the bus lane or any vehicular access to premises adjacent to the bus lane.
- (2) The restrictions specified in Articles 21 and 21 do not apply:-
- (a) in respect of a vehicle being in a bus lane or bus-only route if the vehicle is being used:-
    - (i) for the purpose of collecting refuse; or
    - (ii) for the purposes of the provision of a universal postal service, provided the vehicle bears the livery of a universal postal service provider; or
    - (iii) in connection with the removal of any obstruction to traffic; or
    - (iv) in connection with the maintenance, improvement or reconstruction of any road; or

- (v) in connection with the maintenance, improvement or construction of any street furniture including bus stop infrastructure; or
  - (vi) in connection with any building operation or demolition; or
  - (vii) in connection with the laying, erection, alteration or repair in or near the bus lane of any sewer or of any main, pipe or apparatus for the supply of gas, water or electricity, or of any electronic communications network, providing the vehicle cannot be used for that purpose without being in the bus lane or the bus-only route and in so far as the activity is not prohibited by the provisions of any other Order; or
- (b) in respect of a vehicle being in a bus lane or bus-only route:-
- (i) so as to avoid an accident; or
  - (ii) to allow a person to get or give help in consequence of an accident or emergency or otherwise take action for public safety; or
  - (iii) to such an extent and for such a time as is needed to comply with any requirement resulting from works or an emergency in any part of the road adjoining the bus lane or bus-only route; or
  - (iv) if it is being used for ambulance, fire brigade or police purposes; or
- (c) in respect of anything done with the permission or at the direction of a police constable in uniform or a civil enforcement officer.

## PART V – SPEED LIMITS

### 20 mph speed limits & zones

23. No person shall cause any motor vehicle to proceed at a speed in excess of 20 miles per hour in any road or part thereof listed in Schedule 3 and which is indicated by way of the map-based schedule and map schedule legend as being a road or part thereof subject to a 20 mph speed limit.

### 40 mph speed limits

24. No person shall cause any motor vehicle to proceed at a speed in excess of 40 miles per hour in any road or part thereof listed in Schedule 4 and which is indicated by way of the map-based schedule and map schedule legend as being a road or part thereof subject to a 40 mph speed limit, or both.

### Exemption from the provisions of Part V

25. Nothing in Articles 23 and 24 shall apply to any vehicle to which the provisions of section 87 of the Road Traffic Regulation Act 1984 apply.

## PART VI – CONTRAVENTION

### Contravention of this Order in relation to Parts II, III and IV

26. Where a vehicle fails to comply with the provisions of Parts II, III or IV this Order, then a contravention of, or failure to comply with, the provisions of this Order shall be deemed to have occurred.

### Contravention of this Order in relation to Part V

27. Where a vehicle fails to comply with the provisions of Part V of this Order, the driver thereof shall be guilty of an offence, in accordance with the provisions of section 89 of the Road Traffic Regulation Act 1984.

## EXPLANATORY NOTE

(This Note is not part of the Order)

This Order:-

- (i) consolidates the provisions of all existing Traffic Management Orders and Speed Limit Orders currently having effect in providing moving traffic prohibitions and restrictions, cycle lanes and routes for pedal cycles only, bus lanes and bus-only routes and speed limits in roads in the London Borough of Haringey;
- (ii) updates the applicable exceptions and exemptions to those moving traffic prohibitions and restrictions, cycle lanes and routes for pedal cycles only, bus lanes and bus-only routes and speed limits so as to reflect current signage legislation and the Council's current moving traffic enforcement policy; and
- (ii) provides for the use of a 'map-based' schedule, to be read in conjunction with the consolidated Order, describing the location and type of the moving traffic prohibitions and restrictions, cycle lanes and routes for pedal cycles only, bus lanes and bus-only routes and speed limits, the hours of operation of those moving traffic prohibitions and restrictions, cycle lanes and routes for pedal cycles only, bus lanes and bus-only routes, where applicable, and of any signed exceptions having effect in relation to those moving traffic prohibitions and restrictions, cycle lanes and routes for pedal cycles only, bus lanes and bus-only routes;

in the London Borough of Haringey.
