Dear LDF Team,

### Pinkham Way

We strongly oppose the proposed change in the status of Pinkham Way. The land is in a nature conservation area and should be retained as such.

The case for the proposed change is fundamentally flawed, no credible evidence having been put forward by Haringey Borough for change of site use. The proposal flouts both national and regional policies (ref. PPS9 + 7.14, 7.18, 7.19 + 7.21 respectively).

Inadequate consideration has been given to alternative sites for waste disposal and the proposal ignores the adverse effects on nature conservation at the Pinkham Way site.

Yours sincerely, William M - 60
