Subject: Objection to redesignation of Pinkham Way from employment to industrial usage

Dear Madam or Sir

I am writing to **object to Haringey's proposal to redesignate Pinkham Wood** from an 'employment' to an 'industrial site'.

This redesignation, if approved, would remove an important clause safeguarding the ecological status and importance of the area.

The way Haringey has run its consultation on the proposed redesignation has, furthermore, not been open or wide enough. This gives rise to the suspicion that it has been deliberately kept quiet in the hope of winning the redesignation without attracting too much attention.

It is difficult under such circumstances to trust the actions of the council.

Yours faithfully,

Dr Ingrid Wassenaar
