Webcasting

Watch local government in action

on the internet

Haringey Council

www.haringey.gov.uk

What is a council webcast?

It is a new and easy way to get involved in local democracy. A webcast is a video that you watch over the internet.

We film key council meetings so that you can watch them live, as they happen. We also record them so you can watch them anywhere, at anytime - whenever it suits you.

Which meetings are webcast?

Important and key meetings including:

- Full Council
- The Cabinet
- The Youth Council
- Planning and Licensing Committees
- Overview and Scrutiny Review Committees

For a full list of meetings and committees that are filmed, go to: www.haringey.gov.uk/meetings_webcasts

- look out for this symbol for quick links to webcasts.

Why do we webcast these meetings?

Your elected councillors take many decisions which affect you. In public meetings councillors debate council tax rates, decide on planning applications, and much more. Webcasting makes accessing these meetings easier and more convenient. All you need to do to watch local government in action in Haringey is go to the council's website.

Webcasting supports Haringey's commitment to transparency and accountability. By showing local government in action, our webcasts throw light upon the council's decision making process so you can...

Be informed and up-to date about issues in your local community.

Listen to debate and hear different points of view.

See decisions that affect you being made.

How do you watch a webcast?

- 1 Go to the council's website: www.haringey.gov.uk.
- 2 Then click on the link 'Videos of council meetings (webcasts)'.
- 3 Once you have found the live or archived meeting that you want to watch, click on its name and watch the webcast.

Useful information:

For an easy to use guide on how to view a webcast, go to: www.haringey.gov.uk/meetings_webcasts
