Bruce Castle Museum Wedding Ceremony Charges

valid from April 2018

The cost of hiring a room at the Museum for a wedding is £400.

All wedding bookings are subject to availability of the rooms.
It is advised to make an appointment to discuss your requirements and to view the licenced rooms.

Weddings are usually scheduled on a Saturday between 11am and 3pm.
The maximum hire time is 3 hours including setting up and clearing up.
(This has proved to be the most convenient period of time for both the wedding participants and the staff of the building.)

Please note we host the ceremony only.

We regret we are not able to accommodate the reception.

There are additional fees charged by the Registrar, with whom you should enquire regarding their services.
