Outcome of Public Consultation and Works Notice

Introduction of Event/Match Day Controls in The Hale (TH) Controlled Parking Zone (CPZ)

Dear Resident/ Trader,

You may recall that we consulted you in January 2018 regarding the possible introduction of Event/Match day parking controls, on top of the current Monday to Friday 8.30am to 6.30pm (CPZ) times. Consultation documents were sent to residents and businesses on 26 January 2018 with a closing date of 16 February 2018. I would like to thank all those who took the time to have their say and make their views known.

Consultation Feedback

Of those who responded 63% supported the introduction of Event/Match Day controls on top of the current (CPZ) times with 27% objecting and 10% having another view. A copy of the report detailing the feedback received is now available on the Parking Consultations page of our website www.haringey.gov.uk

Way forward

Following discussions with your Ward Councillors, and the Cabinet Member for Environment it has been agreed to introduce the Event/Match Day controls to the area shaded orange on the attached plan. When there is an Event/Match at the Tottenham Hotspurs Football Club (THFC) Stadium the controlled times will be as follows:

Event Days
8.00am - 8.30pm (Monday – Friday); 8.00am – 8.00pm (Saturday and Sunday);
and Noon – 8.00pm on public holidays.

Non – Event Days
Monday – Friday 8.30am – 6.30pm

The Council will introduce the new parking controls under an Experimental Traffic Management Order (TMO) going live on Friday 3 August 2018. This allows for objections or representations to be made to the Council during the first six months and if necessary, we can then modify the scheme. Towards the end of the experimental period - which could last up to 18 months - the Council will decide if the controls should become permanent. However, please note that the Council will not consider removing the controls at the behest of residents who live outside the scheme. You can email us at frontline.consultation@haringey.gov.uk with your views when the new controls start operating.
If you already have a permit:

You do not need to take any action. Your permit will be valid during Event Day controlled hours. However, please remember to check the expiry date of your permit. We strongly advise you to renew your permit upon receipt of your renewal letter, because even if you have had a permit before, you must now apply as a first time applicant. This requires you to provide us with scanned proof of your address and vehicle ownership. For more information about the documents we will accept, please visit our website www.haringey.gov.uk/parkingpermits

Please remember to order visitor permits if you need them.

If you do not already have a permit and are currently affected by weekly controls:

You are already required to display a permit to park during the operational hours of the above-mentioned (CPZ). To apply online please visit our website www.haringey.gov.uk/parkingpermits

If you do not already have a permit and will only be affected by Event Day Controls:

You will need to purchase a permit to park during the operational hours (including event days) of the above-mentioned (CPZ) or display a Visitors Permit. The council does not have a schedule of events and if you require more information about specific dates of events, you may wish to visit Spurs own website directly or look out for information the Club is providing themselves.

Visitor Permits:

You must be registered with us before you apply for Visitor Permits. If you are already registered and know your applicant ID and Visitor Permit Reference Number (beginning with a VC or VS), you can order more permits now.

If you are not already registered or you have forgotten your applicant ID or Visitor Permit Reference Number please email permits-vouchers@haringey.gov.uk confirming your Council Tax reference number. If you do not have this available, please attach a scanned copy of your proof of your address. For more information about the documents we will accept, please visit our website www.haringey.gov.uk/parkingpermits

Business permits:

To apply for a Business permit please visit www.haringey.gov.uk/parking for more information and to download an application form.

Please remember the council will enforce the new controls when events or matches take place at the new stadium.

Thank you for your attention.

Yours faithfully,

Ann Cunningham
Head of Operations
The Hale (TH) Controlled Parking Zone (CPZ)
Including Event/Match Days June 2018
