Subject: Pinkham Way

I am writing to express my objection to the plans for Pinkham way for the following reasons:-

The limited consultation that has been carried out and Haringey Council's failure to adequately consult local people and inform them of the re-consultation.

Concern over the way Haringey Council has changed the designation of the Pinkham Way site from employment use to industrial use.

The suitability of the site for industrial use when it has been previously listed as green space that should be protected.

The environmental impact of the site for industrial use, particularly in view of the built-up residential area and local schools.

The traffic chaos that would result if the proposed addition of 300 - 400 heavy vehicles onto local residential roads goes ahead.

I trust you will take the above concerns into account when considering this application.
